## Location South Of Cow Palace

The development of a fifth high school site on the lands owned by the Crocker Land Co. was discussed by District Board Superintendent Edward Morgan following the Jefferson Union High School district board meeting Monday night.

The site will be located on the eastern sector of the 4000 acre tract which covers the San Bruno Mountain and extends from Daly City to the bay.

The proposed location lies in a small valley approximately three-fourths of a mile south of the Cow Palace and one-half mile north-west of the presently developed Crocker Industrial tract.

Mr. Morgan pointed out that under the regulations of the state program, the high school district may project enrollment for a period of seven years in order to secure the monies necessary to purchase the site.

Letters from the board have been sent to Frank Rochex of San Mateo, Mr. Ralph Clark of San Francisco and Cort Scranton, requesting their services in an appraisal of the site. Superintendent Morgan stated that the proposal is also being considered by the Crocker Land Company to insure a decision satisfactory to all parties concerned.

In other action at the meeting, the board discussed the initial phase of expansion at Terra Nova and at Oceana, and the construction at Jefferson.

The presentation of "final preliminary plans" for Oceana included a revision for a 25 per cent increase in student capacity, from 1500 to 2000, for the school when it reaches final completion. Among the additions proposed is a stream-lined cafeteria, two biology rooms, which have been so planned as to be consistant with the instructor's advice, an electronic language lab, and a journalism room and photography lab. Superintendent Morgan stated that he was "delighted with the way he (architect Ciampi) has solved the problems of this projected increase."

In discussing the additions to Terra Nova, the board agreed to separately contract the installation of gym seats, corrective drainage for the athletic fields, the track surface construction, and the installation of more lockers. The balance of the contract will be for the construction of a third floor, and a revision of the second.

Bidding will be opened in June, with construction getting under way as soon as possible in order to provide the least amount of disruption to the campus. The proposed

## City Approves Annex Petition

Approval to circulate a petition for annexation of 375 acres of Bayshore City area to Daly City was granted Monday night by the Daly City Council.

The petition, which may be circulated in Bayshore City after March 6, will require signatures of 25 per cent of the registered voters — or more than 250 names. Then a public hearing will be held in Daly City.

If less than 50 per cent of Bayshore City property owners protest, an election will be held in Bayshore City.

The Bayshore Sanitary District is disputing the proposed annexation by Brisbane of valuable industrial property in Bayshore City. Their attorney, Tom Bocci, has claimed that there are 12 or more property owners in the area proposed to be annexed by Brisbane, and therefore Brisbane could not annex the land under the uninhabited territory act.

**Hospital Annexation**

A description of proposed annexation of 40 acres of land to Daly City for the future Mary's Help Hospital to Daly City was referred to the San Mateo County boundary commission.

---

Councilmen voted support of a bill, introduced by Assemblyman Leo Ryan, to add one more municipal court and two more superior court judges for San Mateo County.

---

**Employee Awards**

Receiving awards for five years service to the city of Daly City were Evelyn Weckerle, city clerk's office; Rose Marie Kraus, library; Doris Rehe, Florence Sibbach and Thelma Stockman, finance; Horace Fitts and Frank Martin, recreation; Paul DeNatale, John Jacob, Richard Meslo, Richard Verducci and Richard May, fire department; Rich Brewer and Arlene Keough, police; Verne Simpson, garage.

Ten year awards were presented to Robert Crooker, police; James Sunderland, police, and Harry Krohn, water department.

Fifteen year pins were presented to Arthur Linhares, Charles Munday and John Walsh, police; August Conci, parks, and Joseph Intaschi, garage.

Twenty-five year pins were awarded to Amedeo Gonella, parks, and William Byrne, street department.

---

The council voted withdrawal from their districts of previously annexed territory in the Colma fire, Colma lighting, Bayshore Fire and Visitacion lighting districts.

---

The General Electric Company was awarded the contract at $6,085 for installation of radio equipment for the City of Daly City. Maintenance services contract was awarded to the San Mateo County Communications Facility.

## Teen Chamber Will Install

The Daly City Teenage Junior Chamber of Commerce charter night will be held on March 2 at Jefferson Elementary School, 14 Alemany street in Colma, from 7 to 12 p. m. The general public is invited, especially teenagers.

Price is $1.25 per person for teenagers, 13-19.

The teen chamber of teenagers 13-19 is the first in the nation of its kind. Membership fee is $2.

For information on becoming a member, call Keith Callaghan, PL 5-6830, or Dennis Battaro at PL 6-3315.

## Chamber Holds Firm On Annexation Stand

The Daly City-Colma Chamber of Commerce this week maintained its stand for stranger action to annex more industrial land to the City of Daly City.

Chamber of Commerce President President Bud Lycett said it was about time the city began to "'bristle" over remarks made by the chamber on annexation since the group has been pushing annexation the past two years. He was referring to news articles in which the city manager disputed the chamber's views toward annexation.

"I was quite surprised upon reading in the local paper that the city officials 'bristled' over remarks made by Frank Matorana, Daly City Chamber of Commerce industrial development committee chairman.

"My first thought was that it took the city officials a long time to 'bristle,' because Mr. Martorana has been shouting about this annexation for over two years.

"As late as August of 1962, a letter was sent to them concerning this matter and it was never answered. It would appear that a sore spot has been touched.

"My point in making a statement at this time is not as an expert in annexation or city government, but rather in appreciation to Mr. Martorana, who has spent a lot of his time developing this information, simply because he has the interests of Daly City and its inhabitants' pocketbooks as his objective. It should be noted that his information is being developed by perserverance on his part It would seem to be easier for an official machine of

## Trailer Burns; Owner Escapes

Misfortune struck the owner of a house trailer Monday afternoon at the Treasure Island trailer court, at Hickey boulevard and El Camino Real in South San Francisco.

A $6,000 trailer, owned by John J. Farris, 40, was destroyed by flames and his 1962 automobile parked nearby was also a total loss. Farris, asleep in his trailer had to fight his way through the flames and suffered second degree burns to face, neck and hands. He was treated at Peninsula Hospital.

Windows were cracked and broken from the heat and metal warped at adjoining trailers. Damage to two other trailers was estimated at $500 according to South San Francisco fire chief John Marchi. Firemen received the call at 3:35 p.m. and arrived with two engines and eight men. Cleaning up operations lasted until 5:38 p.m. Cause of the fire was not immediately determined.

## Car Stolen; Youths Caught

Four juveniles in a stolen car registered to San Francisco Courtesy Service, Gateway Chevrolet, were arrested last week by Daly City patrolman N. Hammerman following a pursuit on Bellevue and Whittier streets.

Hammerman chased the youths to the 600 block of Brunswick street in San Francisco and pursued them on foot between homes and over fences into back yards. The youths were apprehended behind shrubbery in a back yard.

### Local Man Killed Near Lake Tahoe

Raymond Scuccimarri, 27, of 507 Castle street, Daly City, was among five Bay Area men killed in car accidents last weekend. He was one of three killed when a car smashed into a tree after plunging off Nevada State Highway 28 on the east side of Lake Tahoe, some 10 miles north of Stateline, Nev.

Also killed were Leland J. Jenkins, 55, and Frank Truera, 53, of San Francisco.

The driver, Mario August Mandoli, 39, of 369 Skyline drive, Daly City, was in serious condition at Carson-Tahoe Hospital in Carson City.

## Four Incumbents File For School Elections

Four Jefferson school district incumbent trustees have filed with the superintendent of county schools as candidates for the April 16 election. Deadline for filing is this Friday at 5 p.m.

The candidates are James N. Cooper, president of the Jefferson High School District board of trustees; Lyal Ingersoll, five times president of the high school district board; Joe Lewkowitz, serving his ninth term on the elementary district board and O. Wayne Douglas, who served as last year's president of the elementary board.

**Cooper** is a resident of 856 Dell road, Pacifica. He moved to Pacifica in 1951, is married, has two children, a daughter, Elizabeth Ann, freshman at College of San Mateo who graduated last year from Terra Nova High and son, James, a junior at Terra Nova. Cooper is Oregon State and Golden Gate College graduate and majored in traffic management and business administration. He is the assistant manager of transportation for the transportation department of the San Francisco Chamber of Commerce, a post he has held since 1948. Cooper has been extremely active in both school and civic affairs.

**Lyal Ingersoll**, a general contractor, resides at 439 Crocker avenue and has been in the Daly City area since 1924. Married, the father of one son, Ingersoll is also active in school and civic affairs. He has been a board member since 1951.

**Joe Lewkowitz**, presently serving his ninth term on the Jefferson Elementary School board resides at 277 San Fernando Way, Daly City. The father of seven children, three of whom are married, he was raised and educated in the San Francisco area and has been extremely active in school and civic affairs, including Cancer Fund, Red Cross fund drive, disaster coordination, heart fund drive and boy scouts. He is a charter member of the Daly City-Colma Chamber of Commerce, a member of the Daly City Lions, Eagles and member of Musicians Local 6.

**O. Wayne Douglas**, resides at 1147 Southgate, Daly City,

## Southern Pacific Strike Averted

Southern Pacific Railroad Tuesday asked and obtained a temporary injunction forbidding its 11,000 clerks from striking. The strike had been scheduled for 6 p.m. Tuesday.

Superior Judge James O'Keefe of San Mateo County made the order returnable on March 8, when the Brotherhood of Railway Clerks are to show cause why it shouldn't be made permanent.

The order came as federal mediators met in San Francisco to stave off a walkout.

The Southern Pacific serves 13,000 peninsula train commuters.

The strike talks have started over attempts to get the railroad to agree to retrain men displaced by automation for other jobs within the company. The railroad has refused, contending such retraining would create unnecessary jobs and retard technical progress.

## Ryan Supports Bill for Judges

Assemblyman Leo J. Ryan appeared before the Assembly Judiciary Committee Monday, February 18, 1963, in support of A.B. 162 and A.B. 163, which provide for the establishment of two new Superior Court Judges for the county of San Mateo, and on additional District.

The Assembly Judiciary Committee, under the Chairmanship of Assemblyman George Willson, reported the bills out of committee with a "do pass" recommendation. The two bills now will be ledged with the Ways and Means Committee and will not be reported on by that committee until the budget has been cleared by the committee.

A.B. 162 and A.B. 163 were introduced by Assemblymen Ryan and Britschgi, and co-authored by Senator Richard Dolwig.

## Spirit Week 'Bash'

Sitting behind Westmoor High School's girls' gym, a squat Pontiac has shivered from the repeated blows of a sledge-hammer wielded by people of every shape, size, and description for four days.

The steady demolition of the car was a unique fund-raising project of the WHS Auto-Safety Club held during Westmoor's "Spirit Week." Proposed by club member and electronics enthusiast John Charleston, the plan was vigorously supported by president Bob Tarczy, who then arranged for delivery of the car, an off-green sedan.

Donated by Daly City Auto Wreckers and unveiled on Monday, Feb. 18, the car was removed Thursday of the same week after making over $30 for the club under the slogan, "Dollar for dollar, you can't beat a Pontiac."

Swinging at the car, students releasing pent-up frustrations and anxieties were charged a dime a swing, or 3 for a quarter, 7 for a half dollar, and 15 for a dollar.

Providing valuable information for Westmoor psychology and sociology students, it was noted that girls as well as boys joined in the ordeal, some indigent teens having to resort to surreptitiously kicking the car when no one was looking. It is rumored that principal Glenn South, after taking a good swing or two himself, displayed a smile more of mere duty than gratification.

Proceeds from the affair are to be used in the club's seat belt drive. Scheduled for March, the drive will allow students and faculty to have seat belts installed free, the only fee being the price for actual materials.

## April Date For Hospital Work

Construction on the $8 million dollar Mary's Help Hospital in Daly City will begin in April, according to George Hill, hospital developer.

Hill explained the operation of the hospital last week at a general meeting of the Daly City-Colma Chamber of Commerce.

This will be a voluntary community hospital, one of 4500 in the United States, the majority of which are church-related.

"It is not an institution for Catholicism," he said. "It is only operated by a religious order of Sisters."

Mary's Help Hospital is operated by the Daughters of Charity of St. Vincent De-Paul, the oldest and largest of the religious order of Sisters in the world.

The Daly City area is considered the most urgently in need of hospital facilities in the entire state of California. The present Mary's Help Hospital in San Francisco must expand or be forced to close.

Construction of the hospital in Daly City will take two years and will be the most "complete, up to date hospital in the world," according to Hill.

HOSPITAL IS HOST—Sister Hermine, administrator, hosted Daly City Mayor Joe Verducci and councilmen at a dinner-meeting held at Mary's Help Hospital last Wednesday. Purpose of the dinner-meeting was to review matters of mutual interest to the hospital and the community leaders during the two-year construction phaze of the new 85-bed facility in Daly City. Matters included in discussion were discussion of the hospital site, zoning, water supply, access routes, transportation and liason with city agencies. Construction of the eight million dollar hospital is scheduled to start this April. Present at the meeting with Mayor Verducci (from left) were councilmen Micheal DeBernardi, Robert St. Clair and Frank Pacelli. Also present were City Manager Edward Frank; director of finance Joseph Arch, along with the Rev. Timothy E. O'Brien, director of health and hospitals; Dean Folker, architect, and Lawrence Hoban, hospital assistant administrator.

### Historical Society Meets in Daly City

# Backs Effort Against Smog

U. S. Senator Thomas H. Kucshel of California, author of the first law under which federal authorities took part in campaigns against "smog," has teamed up with several colleagues in the new congress to propose more intensive efforts for protecting Americans against the menace and discomfort of air pollution.

In a follow-up to the Research and Technical Assistance Act, he was responsible for putting on the books eight years ago, the senior California senator, who is assistant Republica leader, is co-sponsoring bills which would provide tax relief as an incentive toward installing devices to cut discharges of pollutants into the atmosphere, give financial help to small business and industry in financing projects for reducing contamination, and expand federal authority in finding ways of solving "smog" problems.

The bills, introduced by Senator Abraham Ribicoff of Connecticut, former secretary of health, education and welfare, embody many legislative ideas Kuchel has advocated in the past several years. They also contain new suggestions of United States Public Health Service and other federal officials.

"There is no denying air pollution is so common and serious that federal participation is needed, as well as its leadership, in efforts to bring about controls," the California lawmaker said. "We were compelled to get into this fight because of the consequences to the health of people in widely-scatered places, the impact upon agriculture, the great economic losses sustained, the relationship between 'smog' and our industrial activity, and other factors."

He is a tax attorney with the Standard Oil Company of California, a member of the California and Ohio State Bar, having practiced law in Ohio and Alaska. Douglas received his bachelors degree and law degree from Ohio State University. A Daly City resident since 1954, his son, Stephen is a student at Benjamin Franklin School. Douglas served with the U. S. Army in the European theater of World War II. Douglas is active in school and civic affairs.

## So. San Francisco Woman Crash Victim

Mrs. Barbara Mae Connely, 36, of South San Francisco, was killed last Saturday when her car crashed into a metal guard rail on El Camino Real. Mrs. Connely, an insurance underwriter, of 226 Verano drive, died of chest injuries at Peninsula Hospital.

Police said her car spun out of control, crossed over the double line and smashed into a metal guard rail.

## City-County Highway Plan Office Set Up

An office which will serve as a clearing house for information on the City-County Highway Plan for San Mateo County is being set up in the Central Judicial Municipal Court Building at 800 North Humboldt street in San Mateo, it was announced this week by E. R. Stallings, county manager.

During the three-month campaign for voter approval of the $5,000,000 bond issue to finance the first stage of construction of the highway program, the office will be staffed by a secretary from the county engineer's office who will provide information to individuals and organizations requesting it, Stallings said.

This same service will be made available to the Citizens Committee public information team which will handle the campaign.

One of the major functions of the office, Stallings said, will be to receive requests from business, industrial, fraternal and civic organizatons for speakers to explain the engineering and financial details of the highway program.

He pointed out that groups wishing to take advantage of the service may obtain speakers by writing to the Public Information Office, City-County Highway Plan, 800 North Humboldt street, San Mateo, or by telephoning Dorothy J. Gundrey at DI 2-9114.

some 50,000 people to ferret out information in the capacity of their official office.

"The main aggravation stems from the fact that when this matter is discussed with the city officials, the answers are always on the negative approach, i.e., what Daly City cannot do in this annexation.

"It would, indeed, be refreshing to hear or read something resembling a positive approach to this problem.

"One of our contentions is that in the near future, annexation to the St. Francis Heights is on the drawing board. At this time we have no thought either for or against this, but we do know that, of a certainty, it will be more residences. This should incite our officials to more action concerning the industrial side of the city, to equalize this thought of more residences.

"In closing, I would like to point out that Mr. Martorana made this report at a board of directors meeting, and at that time was given authority from the board to proceed along the lines he deemed advisable.

"I would like to remind all concerned that the chamber meets for the purpose of bettering Daly City and aggressively going forward on any project that is beneficial to the city as a whole. So if there is any castigating to be done, let those who are castigating condemn the chamber as a body for attempting to make a better Daly City.

"I suggest we push 'together'."

## Expanded Adult Classes Open At Jeff School

The Jefferson Adult Evening School has expanded its daytime classes to include ten classes in the areas of Clothing, Upholstery, Landscape Painting, and Behind-the-Wheel Driver Training.

Mrs. Thelma Cain, instructor in Children's Clothing and Beginning Dressmaking, meets in the Daly City Community Center from 9 to 12 a.m. and from 1 to 4 p.m. on Tuesdays and Thursdays. Mrs. Louise Fambrini teaches Clothing and Tailoring on Fridays from 10 to 12:30 p.m. and from 1 to 3:30 p.m. also at the Daly City Community Center.

Art teacher Robert Boyd teaches Landscape Painting on Saturdays at 1 p.m. Most trips are planned in advance to scenic spots along the coastline. Interested persons should contact PL 5-1162 for specific information.

A new Driver Education class (theory) is being formed now for those persons interested in taking Behind-the-Wheel Training. Telephone PL 5-1162 for an appointment between 8:30 a.m. and 4:30 p.m.

## Colma Fire District Election Cancelled

Board members have given notice that the Colma Fire District's general election for April 2 will not be held. Instead, the board of supervisors of San Mateo County will appoint one member of the board of fire commissions to serve for the ensuing term, commencing April 3.

This is in accordance with the provisions of the Health and Safety Code of California.

construction will take a year.

Architects Falk and Booth presented their revised Master Plan for Jefferson High, which won unanimous approval from the board. Because of the small amount of land available, the final student capacity was reduced from 2000 to approximately 1745 pupils.

It is only by this reduction that the necessary facilities will be able to be included in the new Jefferson plant. Superintendent Morgan added that the Crocker site should absorb future growth of the area, thus making the plans for Jefferson fully adequate.

## Jaycees Plan Meeting for 'All Young Men'

A meeting for all young men between the ages of 21 and 35 has been called by the Daly City - Colma Junior Chamber of Commerce President Joseph Bavaresco. The meeting is to be held at the Sky Blue Room of Hamms Brewery on April 1st, 1963.

The purpose of the meeting will be to explain the functions and purposes of the Junior Chamber of Commerce to the community's young men. All young men interested in the welfare and progress of the community are urged to attend. Members of the Daly City-Colma Junior Chamber of Commerce will be present to answer all questions about the various phases of the Jaycees.

You may obtain details or arrange transportation to the meeting by calling Jack Green at PL 5-0377 or PL 6-9830. Don't miss this opportunity to serve your community while growing as an individual.

# Type III Vaccine, Polio Weapon

Chances of an epidemic of ther Type I or Type II polio the Bay Area are now "virally non-existent," thanks last fall's immunization of illions here, but the Type III orm of the wild vorus could till break loose and wreak avoc in the community.

The grim reminder that the war against polio is yet to be won in the Bay Area same yesterday from Dr. Philip Condit, Chief of the Bureau of Communicable Diseases of the California State Department of Public Health.

"Type III polio is now THE polio to be concerned about in the Bay Area," Dr. Condit declared.

"In some parts of the country it appears to be on the increase," he warned. "Although over the years Type III has usually caused about 25 per cent of all polio cases, in some areas in recent years, it has accounted for up to 50 per cent of cases recorded."

Physicians of the Bay Area's county medical societies will attack Type III polio with a potent weapon—Sabin Type III oral polio vaccine—on K. O. POLIO Family Day, Sunday, March 10. They will offer the vaccine to everyone at some 350 neighborhood vaccine stations.

They especially urge all children, every person in families with children, pregnant women and those planning foreign travel to take the vaccine.

Dr. Condit, who lives in Lafayette, says he, his wife and four children will take the Sabin drops on March 10.

Probably everyone in the Bay Area knows by now polio can be caused by three viruses. It is equally probable that few non-medical men can tell how they differ.

"To the victims of polio the differences are strictly academic," said Dr. Edward B. Shaw, K. O. POLIO chairman. "One type is just as bad as another. Their effects are the same. Each virus can strike any part of a person and each can cripple or kill."

The final phase of the record-setting attack on polio here is fully supported and endorsed by the United States Public Health Service, the California State Department of Health and the Committee on the Control of Infectious Diseases of the American Academy of Pediatrics.

## SEA BOWL

Sea Bowl will be running a bowling clinic for junior bowlers next month and hope all the junior bowlers who have expressed a desire to learn to bowl will attend.

The classes are structured for the age 9 thru 11 group on Tuesdays; 12 thru 15 on Wednesdays; and the 16 thru 18 on Thursdays.

Plans are now being formulated for the first annual Sea Bowl house championship tournament. This event, patterned after the city championship events, will consist of a team, singles and doubles with an optional all events. Watch for this tournament—it should be a good one. Scores for the King and Queen of the Month tournament just completed show Bob Moldovan with 654 and Sharon McGuinness with 691 as the winners for this month. Close seconds were Bill Paddock at 648 and Betsy Gardner with 673.

### Steven Duval With Support Carrier

Steven A. Duval, seaman apprentice, USN, son of Mr. and Mrs. Robert B. Duval of 820 Bower rd., Pacifica, Calif., is serving aboard the support aircraft carrier USS Lexington, homeported in Pensacola, Fla., and operating in the Gulf of Mexico.

The Lexington, formerly an attack carrier, now serves as a training carrier for Navy and Marine Corps student pilots.

### Notary Commission

SACRAMENTO — Secretary of State Frank M. Jordan today announced the issuance of a notary public commission to Elizabeth Buckley, 75 Wellington Ave., Daly City.

HILLSIDE FOOD CENTER'S new owners (left to right): Charles McCormack, Nick Andreachhi with Frank Machi, meat department manager. McCormack and Andreacchi, formerly with Safeway Stores, represent 25 years experience in the grocery business.

### Third Graders Visit Historical Museum

In connection with their study of the Greater San Francisco Bay Area, Miss Margaret Dwyer's third grade at Vista Mar School, visited the San Mateo County Historical Museum in San Mateo.

The museum contains a collection of material illustrating the colorful history of San Mateo County. As the class toured the museum, they saw many interesting displays of history. Some things that were of particular interest were: a diorama of the Peninsula's Indian life, showing things made and used by the Indians; a map of local shell mounds, also a skeleton from a shell mound; next a diorama of the Spanish and Mexican Days in San Mateo County, as well as a tour of the room containing an interesting collection of early American Times in San Mateo County.

Mrs. Steiner was their guide and helped to enrich the informative trip even more. Miss Dwyer and her class were accompanied on their study tour by Janet's mother, Mrs. Coker.

Mr. Adams, Stephanie's father, is coming to visit Miss Dwyer's class at Vista Mar School next week. He has three interesting charts of San Francisco, the Bay and the peninsula, dated 1853, 1859, and 1869, respectively. Mr. Adams will explain the charts, as well as show them to the children. He will also bring a "rocker box" which was used by early gold miners to free gold from sand and gravel.

### Missing Persons Sought by Red Cross

Red Cross is seeking two missing persons, who may be living in the Bay Area: EMANUEL KOUTCHAK, formerly from Alaska, and JOHN ROLDAN ZARUNDNY, a former resident of the Philippine Islands. Anyone with information on these persons should call Red Cross at PRospect 6-1500.

## *Academic Excellence Recognized At W'moor*

Chosen by members of the Westmoor High School faculty, four trophy winners are on their way toward $1,000 cash awards in the annual Bank of America Achievement program. Principal Glenn South announced the trophy winners and the study fields in which they excel.

In addition to the trophy winners, six other students were cited for superior performance in specific fields of study. Westmoorites Kenneth Lehre, Science; Eugene Poggio, mathematics; Jack Petranker, social studies; Ann Irby, foreign languages; Marilynn Wagner, English; Paula Hershberg, home economics; Richard Fields, industrial arts; Kenneth Gates, music; Deborah Pearl, art; and Patricia Marks, business will receive certificates of merit.

Records of the trophy winners will be carefully reviewed by a screening committee composed of distinguished civic, business, and professional leaders. After the preliminary screening, the four seniors will contend for cash awards ranging from $150 to $1,000. Second and third place winners in each field at the zone event will receive $50 and $25 awards.

Kenneth Lehre, science and mathematics; Kenneth Gates, fine arts; Marilyn Wagner, liberal arts; Patricia Marks, vocational arts are the candidates who will enter zone competition, April 2 in San Mateo.

## OBITUARIES

### Ira Monyhun

Funeral services were held February 23 at W. C. Lasswell & Co. for Ira L. Monyhun, of 226 Hillside boulevard, Daly City, who died February 20, at San Mateo General Hospital. Burial was at Cypress Lawn Cemetery. A native of Kansas and resident of Daly City for 12 years, he was the husband of Mary Inez Monyhun; father of Wayne and Lewis Monyhun, Mrs. Sylvia Hittle and the late Theodore Monyhun; brother of Mrs. J. L. McCracken, Mrs. Georgia Newlin and Mrs. John Clark; six grandchildren and two great grandchildren. Father-in-law of Dunreath Monyhun.

### Marino (Ted) Sereni

Funeral services were held February 21 at the mortuary of W. C. Lasswell & Co. for Marino (Ted) Sereni, 97 Citrus avenue, Daly City, who died February 18 at the age of 46. Burial was at Olivet Memorial Park Cemetery.

A native of California and lifetime resident of Daly City, he was the husband of Jo Ann Sereni, father of Gene and Valerie Sereni and the late Yvonne Sereni Holland; son of Lena Sereni and the late Egidio Sereni; brother of Deno, Mario and Aladeno Sereni and Mrs. Nanda Stewart; grandfather of Valerie Holland.

### Jefferson High PTA Founder Day Success

The Daly City Belle-Tones made a Founders Day program at the Jefferson High School PTA meeting a "howling" success. The comedy that is "strictly off the cuff," says Director Paty Stoltz, was only matched by the voices of these Daly City vocalists.

The ladies, in their authentic costumes, were received with a great deal of enthusiasm. The Belle-tones protege, Judy Alameda, a Jefferson High student, sang her rendition of "Tammy."

Mrs. Ojakian was presented with an Honorary Life Membership pin for her many services for youth in this community. This means that $25 was sent to California Congress of Parents and Teachers for the Scholarship Fund.

President Mrs. Mendel Plansky presented a special honor to Mrs. Everett Heagney, a very surprised mother and grandmother...a National Honorary Life Membership Pin. Mrs. Heagney has been noted for many years for her work with Girl Scouts, PTA and other charitable organizations. She is loved by every Brownie and Girl Scout in the community.

The money for the National Honor pin goes to an Endowment Fund for extension and development of PTA work.

Refreshments were served by the Hospitality Committee.

# Rams, Warriors In Title Race

## Teams Tied In Final Week

Last Friday night, South San Francisco carved a share of the NPL lead by cutting the Westmoor Rams down, 68-45. Holding the Ram quintet to a 17 point first half, the Warriors stomped out 29, putting the game out of reach.

Adding insult to injury, Joe Schroeder's five returned from the intermission to add four points to their lead in the third quarter, then exploded for 25 points in he last stanza while Westmoor failed to get off the ground, hiting for only 10 and 18 points in the last periods.

The South City mentor, Joe Schroeder, credited his squad's fast break as being the key that unlocked the Ram defense. Westmoor's Tony Giamonne said that it was "a case of hot versus cold; we got only 27 per cent of our shots —the roof fell in."

So it isn't very lonely at the top any more. Both teams will be trying to keep their share of the league's leadership in the last two games of this season, while hoping that some one kicks the other sharer out of the circuit penthouse.

**If the week's action does not resolve the tie, there will be a playoff for the right to represent the league in the Stanford Invitational. The loop championship will still be awarded to both schools, however.**

South San Francisco faces the toughest schedule, taking on the Tigers from Terra Nova today, and traveling to Jefferson on Friday. Coach Joe Schroeder remarked that Terra Nova "won't be any picnic" and that they must stop the Tigers' outside threats, Caruthers and Lieuallen. This duo garnered 31 points between them in their 50-7 overtime conquest of Oceana last week.

Against Jefferson, the Warriors will be facing a team that can be very uncooperative about things like giving away championships. The Jeff mentor, Mike Orlich, stated that the Warriors have some of the best shooters in the league and suggested that defense could prove to be the deciding factor.

Although Westmoor faces the winless El Camino five, coach Tony Giamonna can hardly be accused of over-optimism. Stating that "they gave us a tough time in the first game," he added that his Rams must find a way to stop Westmoreland, who nearly whipped them by himself in the earlier encounter, gathering 23 points. The Westmoor tutor also mentioned that Aguilara of El Camino is a definite threat. He will be relying on his 6-4 center, John Kelly, to control the boards.

Terra Nova has two chances to upset the applecart, as they wind up the season hosting the Rams. Giamonna stated that the combination of a fast break and press will be needed to unbalance the Tigers' outside shooting power.

Warming up for their tilt with South City, the Jeffs invade Oceana today. Oceana will be attempting to end the season on the right note Friday when they face El Camino at the Tiger gym.

## Warrior Netmen To Host Balboa And Mission

The South San Francisco High School Tennis team meets Balboa on our courts Wednesday, February 27, for their third match of the season. On Friday, March 1, the Warriors travel to Mission High School.

The Warriors fresh after their opening victories over Poly and St. Ignatius are looking forward to the long, hard season.

The lineup for the Balboa and Mission matches:

Singles:

1. Vic Escallier, Honor society member.
2. Jim Eskelson.
3. Edison Louie, President of the Senior Class.
4. Terry Megan, Rally Commissioner in Student Government.
5. Jerry Dong.

Doubles:

1. Carl Durham, Honor society member; John Ellsworth.
2. John DeGraaf, Bob McCune.

## Big Warriors Nip New Pisa

The PAL Big Warirors tied up the lead in the 8th grade league with a one-point squeeker over the New Pisa Reds 22-21. The game opened with Weipah and Smith of New Pisa putting their club out in front. Matt De Bernardi and Ken Smith kept the Big Warirors in the game but trailed by one point at half time. Defensive play and meager scoring marked the rest of the game. In the final period Matt and Mark De Bernardi hit a field goal each and Jeff Long hit 3 charities for the ball game and a tie for first place. The Big Warriors meet the PAL Vultures next week and the Cinderella boys will make them work for a win. New Pisa will face tough OLM Saints who could act as spoilers and settle the league championship. OLM took one this week via the forfeit from MHR Crusaders.

Telvis Jones had a big second half for the PAL Lakers in their game with the Ben Franklin Green Falcons this week. Jones accounted for 19 of his team's 53 points. The Green Falcons' Nick Budea hit 16 of the Falcon's 39 points. The game was all tied up at half time. Jones and Carter went to work in the 2nd half and the issue was never in doubt after that.

Mike Wynne and Mike Miller had a big day at the expense of the OLPH Alley Cats. Wynne collected 24 points and Miller totaled 20 in the PAL Tigers' final game. Parodi and Caligari upheld the honor of OLPH and never gave in until the final gun. OLPH has played well all season but lacked a big scorer. The future looks brighter however. The Denning brothers should make a great deal of difference in future years.

## Ben Franklin Hosts Tennis Clinic March 2

Registration for 7th and 8th grade boys and girls in the Benjamin Franklin area and attending the school will begin at 10 a.m. on March 2 in the Benjamin Franklin Multi-Use room. There will be a limited number of youngsters allowed to participate in clinic due to the facilities available and to assure that all those allowed to participate will receive a maximum amount of learning experience. After registration, the youngsters will be divided into three separate groups and each group will be assigned to report for lessons for the following four to five Saturdays at 9, 10 or 11 o'clock.

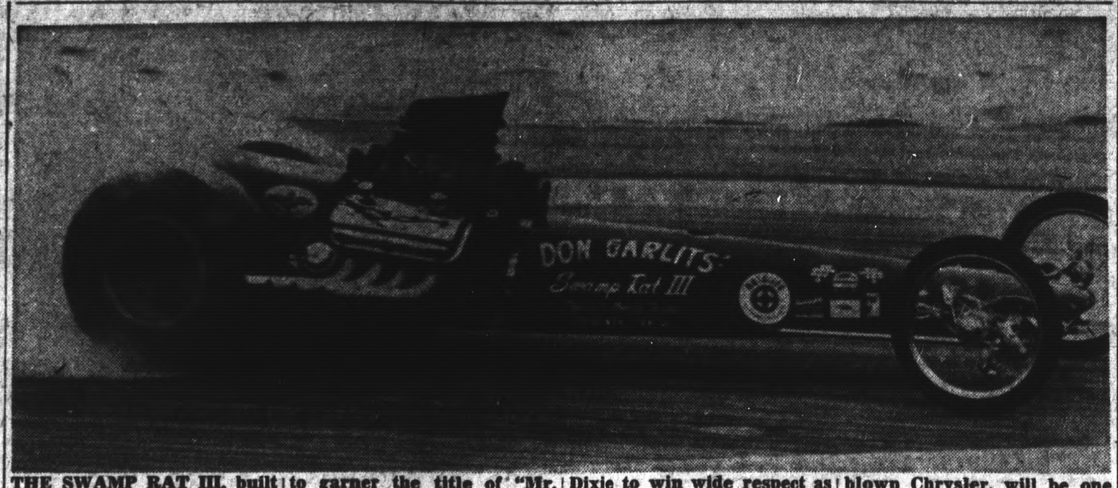
## K. of C. Basketball Tournament Set

Daly City Memorial Gym will be the site of the Marian Council, Knights of Columbus, Basketball Tournament to be held Saturday, March 9. This annual event is part of the Council's year-round Youth Activities Program.

Teams representing Our Lady of Mercy, Our Lady of Perpetual Help, Holy Angelss, and St. Thomas More parish Schools will compete for the 1963 Trophy. Elimination games will get under way at 12:30 p.m.

Adding a unique note, a special game has been scheduled between teams composed of members of Marian Council and the Teen Club from OLM Parish. Many of the boys playing for the Teen Club were members of the 1962 Tournament championss.

Admission is free to spectators. Everyone is invited.



THE SWAMP RAT III, built and driven by Don Garlitz of Tampa, Fla., storms out of the chute in another attempt to garner the title of "Mr. Eliminator." For several years, Garlitz has engineered cars that have roared out of Dixie to win wide respect as well as innumerable trophies at strips throughout the country. This car, powered by a blown Chrysler, will be one of the top contenders at the West Coast championships at Fremont, March 9-10.

## Big Burn-Off For Fremont

The Fremont drag strip will be the scene of some of the most spectacular racing of the year on March 9-10, as top builders will make it with the fastest machinery in the country. The meet, the West Coast Championship races, has thousands of dollars in prize money and will include every type of speester from exotic fuel powered dragsters to competition and gas machines. The action starts at 8 a.m. on both days of the meet.

Don Garlits, from Tampa, Fla., is slated for the competition, with his blown Chrysler powered slingshot. Garlits' machines have stormed the East Coast with great success. Also on tap will be the Porter-Reiss A-fuel dragster from Los Angeles. This machine is the world's fastest Oldsmobile, and is one of three cars that have turned the quarter mile in less than eight seconds, and is the only Olds that has recorded this incredible elapsed time.

Three other Chrysler powered dragsters have already joined the extensive list, two being from California, the third from Chicago. The last, built by Chris Karamesines will line up with Ted Gotelli, who holds the world speed record for the quarter-mile with a clocking of 192.70 mph. The Masters-Richter Special from San Leandro will also be vieing for top honors and top money.

Two weeks ago this screener, driven by Bob Haines, turned an identical 192.70 at Half Moon Bay. With the world record holder, the top challenger, and the most highly regarded dragsters from the Mid-west and East Coast, Fremont strip owner Ron Laurence stated that "there's a very good chance that several new records will be set."

**NEW SURFACE**

Although the MR Special's pilot, Bob Haines said recently of the Fremont strip that the "bite is still as good as at San Gabriel" (considered to be the best in Northern California), Ron Laurence had a new surface put down this Monday. It is hoped that new pavement will give even better traction.

With up to 600 horsepower plus enormous amounts of torque hauling the big dragsters, the bite afforded the racing slicks becomes an all-important consideration.

The Fremont Drag Strip is on the Durham Road exit of the Nimitz Freeway, easily accessible from the Bay Area communities.

## It's SPARE TIME at Westlake Bowl

By JIM GREALISH

The pins were flying Wednesday night as Hal Antrim of Ravazzini Clothiers and Rich Ryden of the New Southern team shot big 267 games. The audience shifted from one to the other as they strung strike after strike. Hal led the 915 All Stars with a 660 series which Rich topped the Westlake Classic League with 623.

Two six hundred series were posted in the Westlake Knolls League as John Taylor shot a 225 game and 604 series while Bruno Alpi had a high game of 234 and a 602 series.

It was all fives for Rod Losberger as he led the Daly City Employees League with a 555 series on a high game of 192 with Betty Anderson playing the part of the leading lady with a 167 game and 472 series.

Jan Hayes and Ted Braan were the week's leaders in the 99'ers Mixed Fives League as Jan had a 192 game and 527 series with Ted shooting a big 230 game and 610 series.

With five of the league members about to take a brief vacation from bowling to increase the size of their families, the members of the St. Emydius Mothers' Guild League gave a small "going away temporarily" party with one of the guests, Mary Dudley, taking high gome and series honors with 162 and 462. Eileen Drexler added to the celebration by converting the almost impossible 8-10 split.

Competition ends Sunday, March 3, in both the Westlake Handicap Doubles and the Northern California Team Handicap Tournaments now in progress. Doubles and five man teams may shoot whenever lanes are available between now and midnight Sunday.

Junior bowlers will take to the highways May 5 as the busses will roll down the Peninsula for the Northern California Bowling Proprietors' Association Junior Championships. Westlake Juniors will bowl in four centers on the Peninsula with team, junior and single events in Pee-Wee, Bantam, Intermediate, and Senior divisions.

Del Muskin and Bonnie Birkett teamed to win top honors in the first weekly Blue Monday Handicap Doubles as the latest "Something for the Girls" program was off and running at Westlake. Second place went to Emily Drago and Mildred Garrett while Jun Tarczy and Jerry Nelson took third place. This popular event will take off again next Monday afternoon at 1:15.

Tuesday night found Bill Grayson and Jim Desmidt only one pin apart as they led their leagues, Bill shooting 234 and 612 in the Country Club Handicap and Jim leading the American Masters 900 Scratch League with a 222 game and 613 series.

Joann Record shot a terrific 235 game in the Tea Timers League to take high game honors while Gari Snyder took high series with 523.

A repeat leader was Irwin Smith in the Golden Gate Handicap as he led the league for the second consecutive week, this time with a 224 game and 592 series.

*Three 7-1 Records . . .*

## League Remains Tied In Knot

Action this week failed to knock out any of the teams tied for first place in the 7th grade league. The Ben Franklin White Falcons gave New Pisa a real shake this week while losing 31-28. New Pisa took off to an early lead on the shooting of Tong, Wilson, Hanson and Schroeder. Georgie Garber and the rest of the White Falcons whitled down the lead but a strong fourth quarter for New Pisa carried them through. Easley, Smith, Williamson, Sandoval and Garber held highscoring Kollin Tong to only 7 points but Bill Schroeder hit the hoop for 12 New Pisa points. Garber was high for the Falcons with 13 points.

The PAL Bears took an easy 53-17 win over the BYA Hotshots. Dennis Smith filled the bucket with 22 points. Barry Perrone and Grady Proctor shared second honors with 10 each. Gene Wilcox was high for the Hotshots with 7. The Bears meet the OLM Angels in their next hurdle to the crown.

The OLM Angels dropped one this week to the MHR Chiefs 32-24. The Chiefs are showing great strength in a late-season drive. Caufield of the Chiefs was high with 10 points. Showing easy scoring ability in the first half, the Chiefs went out in front. OLM defense held them to only 5 points in the 2nd half but Green, Ewing, White and Feeley could not hit the hoop often enough to pull the chestnuts out of the fire.

BYA Aero Motors again showed their great defense. Coaches Jerry Plyer and George Brenk have developed a tremendous ability in their club to keep the other teams away from their bucket. This week the PAL Wildcats could score only 5 points against the Aero Motors club. Wildcat scoring power is far better than this score indicates. It is a real tribute to Aero Motors. This great defense combined with Stang, Yerby, Witcher, Anibole, Plyer and Feldman hitting their share of points has put Aero Motors in the tie for 1st place. Next week will be a real test for them when they meet New Pisa. They are in for a tougher time than they had this week in their 22-5 win over the PAL Wildcats.

Someone must always be in the cellar but this week Hero of the Week honors go to the teams on the bottom of the league standings. Tied with a 1 win and 7 loss record, the OLPH Golds and the BYA Matadors fought out a great battle this week with the Golds coming out on top of a tight 30-27 score. It was not the type of game one would expect from the trailing teams. The game was just as tough as if the crown depended on it. For their fighting spirit, Gudelj, Hall, Ragni, Flaherty, and Lofrano of OLPH and D. Rosen, Tauffer, Mann, C. Rosen, Powell, Barrett, and Stovall of the Matadors take Hero of the Week Honors. Hall of OLPH was high with 13.

## Tennis Exhibit Slated for March 2 At Ben Franklin

On March 2, starting at 10 a. m. at the Benjamin Franklin School courts in Daly City, the foundation will put on a demonstration clinic and exhibition for youngsters.

Headed by Tom Conlon, the clinic will include a pre-net match exhibition by young players Bob Murio and Rich Anderson.

The Foundation will continue assistance to the successive Saturday clinics planned for Daly City under the supervision of Dennis Humjardo, coordinator of physical education for the Jefferson Elementary School District.

San Francisco's program of free tennis clinics offered by the YTF in cooperation with the park and recreation department will commence on Monday, March 18.

MOST OF THE COACHING STAFF examines the new projector given to the department by the El Camino Booster Club.

## El Camino Physical Education Staff Receives Movie Projector

Nearly the entire coaching staff was on hand when El Camino Booster club president George Coulter presented the school physical education department with a new 16 mm movie projector at the last Booster meeting.

The projector is portable, and will show films without the necessity of a darkened room. It will be used both in the training of teams in the competitive sports, and the general instruction in the entire department.

Pictured examining the new machine are, left to right, Doug Thomas, Harry Pitkoff, Bob Reiniker, Gordon Young, Bob Sexton, El Camino booster president George Coulter, and Gary Kenny.

## Vikings Trip Hawks -- Tie For Crown

Russ Hampton, Steve Roche and Joe Arnke smashed the PAL Vikings' myth of invincibility with a 39-27 win this week for the OLM Hawks. Hampton led the scoring with 13 points. Steve Roche and Joe Arnke did their share with 12 and 10 point contributions respectively. The Hawks went out in front in the 1st quarter and stayed there. Gary Ciardella tried to rally the Vikings with an 8 point splurge in the last half to bring his game total to 12 but Russ Hampton's hitting from the free throw line offset the threat. Bill Antraccoli and Keith Speith helped out Hawk scoring and turned in great defensive performances. The Hawks and Vikings are now tied for first place with 6 and 1 records. They will play off for the crown next week at Westmoor High at 2:30 p.m.

BYA Bender Roofing Cats lifted the scalp of the PAL Warriors to nail down third place. Abe Shaffer, the Cats' mainstay, broke loose in the second half to ice the ball game. Deadeye Shaffer hit 14 points to break the half time tie. Joel Carrara helped out with 10 while McGuigan hit 4, Karp 3, and Belli 2 for the 33-24 margin. Tom Belvin was big man for the Warriors with 11 points.

Don Strauss closed out the season for the Sherith Israel Knights with a 12 point game. His total gave the Knights the edge over the PAL Jets. The Jets went out in front in the first period. Strauss kept the Knights in the game with his scoring. Newman, Gevertz and Dietrich came on in the 2nd half to take the Knights on to the 23-19 win over the Jets. Bandborg was high for the Jets with 11.

Timmy Dillon went big for the Holy Angels Colts this week hiting 26 points. Dillon, while looking good all season, really blossomed in this game against the OLPH Hilltoppers. The Hilltoppers played consistent ball with Lujan, Guglielmoni, Shea, Denning and Neary scoring well. Dillon's blazing point splurge marks him a player to watch in next year's league as OLPH could not contain him. His teammates Amoras, Kane, O'Shea, York, Mannis, Galohic, Scott, Renetria and Alviso should also continue to improve. The Colts will be a real factor in the 7th grade league.

## Serra Bowl News

Ken Baller bagged the big ones at Serra Bowl this week in "Metro Master's" travelling action. Ken really poured it on as he banged a big 674 tally on games of 196, 255 and 223. The big total helped the Brentwood Bowl team sweep 2 out of 3 games from the faltering Serra bowlers whose best effort was Dick Treadway's 221 - 591 series.

High honors in ladies' competition this week went to Gladys Porter of the "Femme Fatales" who rolled a nice 209 - 467 series to establish new individual marks in that daytime spot. Vera Viola, bowling in the "Domestic Engineers" league, also came up with a 209 but fell off in the last two games to finish with a 425 total.

In the "828 Scratch" league Carl Eakin came up with a rare "triplicate" series on games of 155, 155, and 155. Rich Piazza, of the Joe Brandi team, toppled 220 - 606 to lead his boys to a 3 game win over Harrison Realty and register the high individual honors that night.

Tremendously high single efforts were the hallmark in recent "Foremost Mixed 5's" competition. Mike Keyte blasted a 248 in the second game last Monday evening only to see his record shattered in the next line as Don Scott finished his kegling with a blistering 254 tally.

Other highs in the week's shooting include: Ed Loconsolo - 236 in the "Sunday Cocktail" league; Vic Ciardella, 235 in the "750 Masters;" George Turstle, 135 averager, 234 in "Sharpshooters" action; Larry, Lewis, 225 in the "Cocktail" group, and Ron Rodgers 222 - 556 in the newly formed Wednesday evening "Bombers" league.

The Western Pacific Railroad held their yearly handicap tournament at Serra Bowl last Saturday. With over 330 entries in team, doubles, singles, and all events to be tallied the official results will not be available until next week.

**Friar Fred's Hints For Better Bowling - No. 9**

ETIQUETTE — The rules of bowling etiquette were designed to increase your enjoyment of the game and to make it more fun. Always:

Stay in your approach area. Do not wander around the lanes up at the foul line.

Return immediately to the settee area after you have completed your shot . . . so that the next player may have his turn.

Stay behind the foul line. A foul in league bowling means that you receive no score for that ball.

## B. Franklin Nips Parkway Cagers

Last Wednesday Benjamin Franklin hosted Parkway School from South San Francisco and what looked like a runaway at halftime with Benjamin Franklin leading 30-10 turned out to be a thriller.

The starting team couldn't seem to get untracked and Parkway closed the gap to 1 point 39-38. And for the second week in a row Benjamin Franklin managed to hold onto the lead for the win and the league championship.

Ben Franklin took a first quarter lead of 13-4 on some good shooting by Nick Budea, Tom Wuerthner and Steve Douglas.

**PETROLEUM AND MEDICINE**

"A new era in medicine."

Back in 1847, Samuel Kier of Pittsburgh promoted his famous "Rock Oil" as a "remedy of wonderful efficacy for rheumatism, gout, neuralgia."

America's first petroleum refiner showed more foresight than folly, according to the National Automobile Club. Chemicals from petroleum are in fact winning new laurels in medicine and surgery almost daily.

These chemicals from oil refineries are used as building blocks with which the chemical industry manufactures materials and tools for today's advanced medical techniques, and a multitude of pharmaceuticals and drugs for all sorts of ailments, including rheumatism, gout and neuralgia.

## WHAT EVERY WOMAN SHOULD KNOW . . . ABOUT HER CAR

by Wendy Wheeler,
Auto-Torium Feminine Driving Consultant

This morning over my second cup of coffee, I was scanning through a monthly bulletin distributed by the California Traffic Foundation and a couple of very interesting items caught my eye. I'd be more than interested in any comments you might have on them.

The first item concerns another record Californians set in 1962. It's a record that I, as a consultant to women drivers, find pretty appalling, though. For the first time in history one state suffered more than 4,000 killed in traffic in one year. That state was California with 4,106 dead. Our state last year also happened to set new all-time highs for traffic deaths during the vacation months of April, May, June, July and August. It seems that as bad as the slaughter is, it could be worse. With eleven per cent of the nation's traffic problem, California has approximately 10 per cent of the nation's accidents on only four per cent of the nation's roads.

The second item that caught my attention concerns traffic deaths also, but with a more cheerful aspect, if that's at all possible.

It seems that the one bright spot for the year, 1962, was during the Christmas holidays when expected facilities did not occur. While predictions estimated 75 deaths over Christmas — the final toll was 58.

If you're wondering what factor was responsible for the sudden decline in deaths over the holidays, so am I. The safety foundation, until it completes further studies, considers it a moot question.

You'll recall that last week my column dealt with the manner in which we take our automobiles, among other things, for granted, once the novelty wears away and something else comes along to take its place.

Have you ever heard of safe driving going out of style? It shouldn't ever, however, when you read of rising traffic fatalities, doesn't it lead you to believe that the moral of responsibility each of us accepts when driving a motor vehicle seems to be diminishing?

About this time when the statistics get too depressing I like to take out my worn out old copy of the California Vehicle Code. As you can imagine it brings back a lot of memories . . . aspiring to drive . . . learing the laws . . . practicing with dad . . . passing my test. At the age of 17 the whole manual impressed me as pretty much a common sense book.

My opinion of the book hasn't changed since. I still find it a pretty good guide behind the wheel. After all, what is safe driving other than a smattering of common sense? Right?

**LAKEVIEW GUSHER WAS BIG ONE**

In the way of oil, probably the greatest gusher ever known was the one that came roaring through at eight in the evening of March 14, 1910, just a little over a mile north of Maricopa in Kern County, California.

They called it Lakeview Gusher Number One, according to the National Automobile Club, and within the first 24 hours it had gushed forth 18,000 barrels to break all existing records and drive a nearby camp of oil workers from their homes.

For months the oil men tried in vain to control the violent flow. By September of that year, five million barrels of oil had gushed forth to be stored in hastily built reservoirs around the area. And during this period the well had averaged 48,000 barrels a day and had hit a daily peak of 68,000 barrels.

At the end of 18 months it had sent up nine million barrels of oil. But then the sand had started to come up with the oil, had rapidly worn the casing through, and the hole had caved in.

Numerous attempts were made to reopen the fabulous well but they all failed. Lakeview Gusher Number One had made her oily mark in the events of the day, hung up all her records, and then gone back to rest.

**EXPORT OF CARS**

Automotive factories located in the United States exported 140,292 passenger cars during 1961, reports the National Automobile Club.

# WOMEN'S ACTIVITIES

## From A Feminine Viewpoint...

By Mona Baker

From Paris to Greece to India to the Orient — it was truly an international and fashionable day on Saturday as hundreds of localities attended fashion shows.

The mystery of the Far East (practically stealing the show, too) was created as exotic sari-draped hostesses of Our Lady of Perpetual Help Mothers Club walked down the runway following their "Garden of Shalimar" fashion show at Del Webb's Towne House. Stealing the show, too, was model Pat Mondloch in a watermelon colored chiffon with graceful bouffant skirt and dramatic white fox draped over her shoulder.

—★—

Exotic, too, were the hostesses at Holy Angels Women's Guild fashion show at the Fairmont — they all wore flowering Grecian togas. Setting the mood for the show was dancer Priscella Farrell, who performed a Grecian dance. Creating an air of casual elegance was Betty Levesque, who wore a full length ranch mink with portrait collar over a champagne cocktail dress. Removing her coat, she trailed it along the runway. Dramatic in black and white, with Lawrence of Arabia influence, was Lois Ward.

—★—

Sighs and oh's and ah's at All Souls Mother's Club "Cherry Blossom Time" fashion show at the Thunderbird Hotel for the bridal party — the bride, Marjorie Drake, wore an exquisite full length moire gown with a long train and finger length veil. Dainty were bridesmaids Sally Bretz and Linda Farrai in powder blue sheaths.

Oil paintings, hand-made topiary trees, colorful sidewalk cafe tables created a Parisian air as the Daughters of the Nile (Nileart Pageantry Unit of Islam Temple No. 25) held their fashion show at the Hall of Flowers. Evelyn Olsen was lovely in a powder blue lace with graceful low neck, short sleeves and straight skirt. Sparkling, too, was Ann Johnson in a white sequined chiffon cocktail dress with narrow straps and full bouffant skirt.

Back to America for Skyline Assembly of Rainbow Girls, whose fashion show used a valentine theme of "Sweethearts on Parade." Traffic stoppers were the bathing suits — particularly colorful was Dorothy Getchel in a brilliant orange suit. A dramatic climax to the show was created by Mimi Ettlinger, who wore a full length pastel pink chiffon.

—★—

A great deal of the success of the "Gardens of Shalimar" fashion show was due to the chairman, Lorraine Mignault, whom we salute as the community leader of the week.

For nine years, she has been a member of the Mothers Club of Our Lady of Perpetual Help Church, giving many years of dedicated service. She is a past president, held several other offices and has worked on every fashion show. She is a member of the altar guild, served as general chairman of the investment committee, and works one day a week at the office.

—★—

Other community activities on which she has worked include the annual May Day Queen festival of Daly City and she has collected for polio, heart and United Crusade Fund drives.

Local residents for 16 years, the Mignault family, husband Walt, and tow daughters, Janine, seven, and Nadine, 13, reside at 58 Garwood in Daly City.

—★—

If you haven't had a chance to drop by the Daly City library and see the magnificent paintings by local artist Aaron Hanin, do plan to do so soon because the exhibition is scheduled to close March 2. The group of paintings on display demonstrate the impressive versatility of the Westlake artist and range from familiar Bay Area scenes to still life and portraits. In his California landscapes he brings to the canvas the vitality and contrasts of our colorful state from fishing boats in the bay to towering redwoods and gray-green eucalyptus.

Among honors he has received are the Suydam Bronze Medal from the National Academy of Design for his drawing, Honorable Mention at the California State Fair in 1954, and a similar prize at last year's Westlake outdoor art show.

—★—

March is an important month for the YWCA. Beginning this Friday, the annual membership drive will be launched with a goal of at least 1,500 new members in Marin, San Francisco and San Mateo counties.

Bringing the YWCA story to the local area will be the area committee with Mrs. Hal Fox and Mrs. W. R. Sorenson, co-chairmen, assisted by the following captains, Mrs. Dean DeWitt, Mrs. Vincent Manilla, Mrs. Edward Raymond, Mrs. Robert Schweitzer and Mrs. T. J. West. Plans include visiting local PTA meetings bringing information about YWCA classes and activities for residents of North San Mateo County.

—★—

FASHION NEWS: Coats are fashion news this spring. A new trend is the "little girl" look on coats with small collars and buttons down the front. Materials are elegant and particularly popular are the mohairs and hubby wools. Colors are in a wide range of pastels all the way from grey-blues to yellows and pinks. Lengths vary all the way from three quarter to full. High fashion for the Easter parade will be ensembles, same material coats topping straight sleeveless sheaths.

—★—

NEWS BRIEFS: So popular was last month's meeting of the Daly City Newcomers Club, Ramona Birke, director, when new members chatted about their hobbies that it was decided the coming social (March 12) would again feature hobbies. A special table will be set up where new members can display their handiwork.

A family pancake dinner this week is on the social schedule of St. Martin families. The Men's Club will prepare the feast.

The men will be doing the cooking, too, when Broadmoor Post No. 824 of the American Legion prepares a Sunday morning breakfast at the Broadmoor Community Center on March 3.

It will be a family affair, too, at Benjamin Franklin School this Tuesday evening, March 5, when the annual "Science Fair" is held in the multi-purpose room.

The Grand Ballroom of the Thunderbird Hotel will be the locale when the Central Peninsula Chapter of ORT hold their fashion show-luncheon this coming Saturday.

Like to play bridge? The YWCA has scheduled an evening bridge class open to both men and women to be held on Thursday evenings at the Westlake Bowl. Telephone PL 6-7370 for more information.

—★—

Planning a party, wedding, dance? Expecting out-of-town guests? Do let us know about your coming social affairs. Address Feminine Viewpoint, Westlake Times, 3317 San Jose Avenue, Daly City.

Pipe Springs National Monument, reported by the National Automobile Club to be one of Arizona's historical and picturesque spots, was the scene of many struggles between settlers and outlaws in the early pioneering days.

**Between Us Gals:**

## Unique Plan Brings Interesting Guests

By Bunny Gillespie

One of modern Greece's loveliest young representatives was welcomed to Daly City recently for a week-long stay with Mr. and Mrs. Bill Wagner, of 1063 - 87th street, and the Wagner daughters, Marilyn, 17, and Diane, 10.

She arrived by bus and via the unique plan which could place a similarly interesting person in your home.

The visitor was Chariklia (Chara) Izariki, of Herakleion, a port city on the Greek island of Crete.

Chara (pronounced Kara) came to Daly City by way of Crow's Landing, a farming community near Stockton, where she is the house guest of Mr. and Mrs. Romain Stewart. Chara and the Stewarts are participating in the American Field Service program by which teen-age students from abroad study in American high schools and preparatory schools and live in American families and communities.

Similarly, under its Americans Abroad program, American Field Service sends United States teen-agers abroad for either a summer or school experience.

Locally, the Wagners are participating by opening their home to visiting AFSer Helena Frisell of Stockholm, Sweden.

However, AFS planning calls for a "student visit week" and it was through this planning that Chara came to Daly City while Helena was spending a week at Sanger, near Fresno.

While here, Chara viewed Fisherman's Wharf, Golden Gate Park and other San Francisco attractions; sat in on Westmoor High School classes with Marilyn and witnessed the "twist" at Westmoor's Valentine dance. Dancing is relatively new to her, since dating is still taboo for maidens of her age in her homeland.

Through thoughtfulness of the Wagners, Chara was favored with a 15-minute visit with the Honorable George Christopher, whose Greek ancestry is no secret. The Mayor welcomed Chara to his San Francisco City Hall office, chatted with her in Greek and English and climaxed the visit by presenting his pretty visitor with a 15-inch golden key to the City of San Francisco, suitably inscribed with her name and his.

At Crow's Landing, Chara attends the local high school, although at home in Crete she has finished her preparatory education prior to entering nurse's training. While in the United States, she is studying Spanish, U.S. history and English. Her command of our language is charming and her personality warm and delightful.

Headed by Mrs. Ed Raymond, home adjustment chairman, local AFS committee members are seeking a suitable host-home for the next student from overseas who will attend Westmoor. Scheduled to arrive in August, the foreign AFSer will be between 16 and 18 years old and will have been screened with the cooperation of educators for personality as well as intelligence. He will represent one of the more than 50 participating countries in the AFS program, ranging from Argentina to Vietnam.

Prospective host-homes should have an "at-home" mother and a Westmoor student entering his senior year as the fall term convenes. Interested persons should contact Mrs. Raymond at PL 6-3171 as soon as possible to set the wheels in motion towards this vital step in bringing another interesting visitor, such as Chara and Helena, to Daly City.

Other members of the American Field Service's local committee are: Mrs. Henry Suenderman, Americans Abroad chairman; Mrs. Doris Lindfors, school publicity chairman; Hartley Appleton, finance chairman; Peter Markovich, community representative; the Rev. Herbert C. Tweedie, committee chairman, and Paul Zimmerman, school representative and advisor of the Westmoor High School's AFS Club.

MISS CHARA IZARIKI

## Needlework Fashion Show

"Sew n' Show" is the title of the forthcoming needlework and fashion show planned by Sr. Virginia, Social Service Sister assigned to Epiphany Parish. The date is set for Friday, April 5 at 8 p.m. in the School Gymnasium on Vienna Street between Italy and Amazon Streets. Admission is 50c for adults and 25c for children. Many of the clothes and articles may be purchased at reasonable prices. Proceeds from this affair will be used for new robes for the Epiphany Boys' Choir.

All clothes will be made by the ladies of the Epiphany Parish and range from children's wear, teen-age styles and adult fashions, including maternity clothes.

In addition there will also be on display turtle TV pillow seats, stuffed Raggedy Ann and Andy dolls, stuffed animals, aprons, etc. as well as crocheted and knitted articles.

The following parishioners are serving on various committees: Mrs. Francis Dermody, Mrs. Thos. E. Fourre, and Mrs. Edward McCarthy, Show Committee; Mrs. John McLaughlin, Narrator; Mrs. Vincent Latini, Decorations; Mrs. James Borango, Tickets; Mrs. Michael Praksti, Programs; Mrs. Kevin Harrington, Usherettes, and Mrs. Francis Dermody, Posters.

The public is cordially invited to attend.

Mrs. Marie Hamilton will be co-hostess at the 7:45 p. m. gathering. Members are requested to inform their hostess of their planned attendance. Refreshments will be served.

## Library Friends To Hear Noted Book Reviewer

Daly City Friends of the Library and the YWCA are especially pleased to announce a return engagement for Miss Ada Beveridge at their February book review meeting.

Miss Beveridge, former speech and dramatics instructor at San Mateo College, spoke last year before this group, reviewing a biography of Ernest Hemingway, and was most enthusiastically received. Her program was considered one of the best of the year.

This year Miss Beveridge has chosen the works of John Steinbeck as her subject, and intends to refer briefly to the bulk of his work for which he was awarded the Nobel prize. She will also review in depth his current best seller "Travels with Charley."

Miss Beveridge is well known in San Mateo County, having been associated with the college from 1927 to 1959. Part of this time was devoted to serving as coordinator for college-community relations. In addition to her professional service she has been very active as a leader in community volunteer activities, among them the Tuberculosis Association and the Peninsula Braille Guild. Currently her dynamic personality and skill as a speaker keep her in demand as a dramatic reader and lecturer.

The program will be presented tomorrow at 10 a.m. at the Westlake Bowl. The public is cordially invited to attend. A coffee hour served by the bowl management will precede the book review. They also provide the courtesy of free nursery service.

BOOK REVIEWER: Ada B. Beveridge (left) discusses with Elsie Garrison, president of Friends of the Library, the book review she will present February 28 at 10 a. m. at the Westlake Bowl. Miss Beveridge is a former speech and dramma teacher and coordinator of college-community relations at College of San Mateo.

## Local Girl Is Queen Esther Candidate

Sylvia Werner of 25 Oakmont drive, Daly City, is one of fourteen lovely ladies, sponsored by Jewish organizations in the San Francisco Bay Area who will compete for the coveted title of Queen Esther 1963 at the Jewish National Fund's Annual Purim Festival and Queen Esther Coronation Ball on Saturday evening, March 9, 7:30 p.m. at the Fairmont Hotel, grand ballroom. She is sponsored by Westlake Chapter-Hadassah.

WEE BIT O' FASHION — Considering using a St. Patrick's Day theme for the March 7 YWCA fashion show slated for 1 p. m. at the Westlake Bowl are (from left): Mrs. Norma Washford, hostess, and Elsie Dab, chairman. Styles will be by The Fashion of Westlake.

# St. Patrick's Theme For Y Fashion Show

Reservations are still being taken by the "Y" for their March 7 luncheon and fashion show, to be held at the Westlake Bowl from 1 to 3 p.m.

Chairman Elsie Dab has made plans with Eleanor Raymond for an attractive St. Patrick's Day decor to highlight the theme of "Flight to Fashion." In keeping with the travel motif, Panorama Travel will participate. The Fashion of Westlake will furnish the "Y" models with the latest spring styles.

Co-ordinators Dorothy Orlich and Phyllis Odenthal have indicated that many of the new fashions have never been shown in this area and are truly "the very latest" from the designer showrooms. The co-ordinators urge everyone to phone in their reservations to PL 6-7370, and if a cancellation is necessary to make sure the "Y" is aware of this change. Free baby sitting will be available for those attending who have pre-school children, and the cost of the luncheon will be $2.00.

The commentator for the show will be Mona Baker and the "Y" models will be Nancy Warne, Ginger Straight, Ann Johnson, Lynette Erlach, Marcia McGuirk, Muriel Wyman, Ardelle O'Connell, Phyllis Odenthal, Dorothy Orlich and Doris Fox. As a special feature, teenage clothes will be modeled by Suzanne White, "Y" teen advisor from San Francisco State, and Sue LaCour, who is a member of the Jefferson "Y" Teens.

# Dance Class Underway At Ben Franklin

Dance classes for students of the Benjamin Franklin Intermediate School started Monday evening under the sponsorship of the Parent-Teacher Association.

Teaching the 6-week course of ballroom dance are Mr. and Mrs. George Clifford, who bring with them the special talents required to present social dance instruction to seventh and eighth grade students.

The features of the class include: No choice dances, development of good carriage, posture and self-assurance, improvement of coordination, which improves athletic ability; social training, an essential part of the child's education; proper dancing training in a class, not at a dance; and awareness of social finesse and poise.

Ben Franklin participants will learn the waltz, fox trot, cha-cha-cha, swing, samba, rumba and bossa nova. Tuition is $7 for the first consecutive lessons. For further information, phone Mrs. Kevin Donovan, PTA president, at PL 5-4798, or Len HHerbst, school principal, WY 2-1000.

MR. AND MRS. LYLE C. NEWCOMER are among the newlyweds now living in Westlake. The couple, married at St. Dominic's Church, were feted at a reception in the St. Francis Hotel following the nuptials. The bride is the former Cecilia Simonich, daughter of E. J. Simonich of Hanford, and her husband is the son of Mrs. L. C. Newcomer, Sr., of San Marion.

# Tax Talk For Y-Wives

There are approximately forty-five days left until the "Income Tax" deadline, April 15, and public accountant Alfred O. Belotz is anxious to tell you what you should know about your personal income tax.

Mr. Belotz will speak at an informal get-together to be held in the Westlake Bowl's banquet room from 9:30 to 11 a.m. Monday, which is sponsored by the YWCA's Y-Wives of Westlake. President Norma Washford invites the women in the community to attend the meeting, and take part in the question period to follow the talk.

Mr. Belotz was born in Fall River, Massachusetts, and has lived in New York and Providence, Rhode Island.

During World War II he served with the Navy.

Mr. Belotz has been living in Westlake since 1952. The Belotz's have three children, Bruce, 10, Carol, 7, and Judy, 4.

In 1951, at Golden Gate College, Mr. Belotz received his B.S. degree. He has a public accountant's license and opened his practice in downtown San Francisco. Since 1954 he has had his office in Westlake.

A member of the United Crusade's North San Mateo County Business Division, Mr. Belotz was their chairman last year. He also belongs to the Daly City Rotary Club.

He has two "Pet Projects." One is being on the parents' advisory board of the United Cerebral Palsy organization of San Mateo. The other is the Boy Scouts. In the East and in this locale he has been in scouting for twenty years.

For facilities used at the meeting, Coffee and tea, and nursery service, secretary-treasurer Elsie Dab will collect a fifty cent fee.

MR. AND MRS. RAFFAELE CARLASCIO were guests of honor recently at a San Mateo Peninsula Social Club dinner dance as they celebrated their fiftieth wedding anniversary. Helping to honor the couple were Mr. and Mrs. Bobo Carlascio and family of Daly City, Mr. and Mrs. Oland Carlascio, Mr. and Mrs. William Carlascio, Mr. and Mrs. Angelo Carlascio, Mr. and Mrs. Angelo Patti, Mr. and Mrs. Leland Lezotti, Mrs. Jean Mackey and James Mackey, as well as numerous children of the Carlascio families.

# Pacific Manor PTA To Talk On Heart

"Your Heart, Fears, Facts and Fables" will be the topic of the March 7th Pacific Manor PTA meeting at 8 p.m. in the multi-purpose room.

President Paul Doyle will preside over a brief business meeting at which nominations and the election of the new slate of officers will take place.

The program for the evening will be conducted by a representative of the San Mateo County Heart Association followed by a question and answer period.

Refreshments will be served by the third grade room mothers to top off the evening of fellowship.

# Crittendon Home Seeks D. C. Volunteer Group

Services provided by the Florence Crittendon Home of San Francisco (for unwed mothers of the Bay Area) will be discussed at a coffee to be held tomorrow at 10 a. m. at the Daly City War Memorial Community Center.

The volunteer service committee of the home, under the chairmanship of Mrs. Jerrold Kingsley of San Francisco, is sponsoring the coffee. The Daly City commitee in charge of arrangements for the meeting includes Mrs. S. I. Morton, 322 Glenwood avenue; Mrs. Thomas J. West, 1496 South Mayfair avenue, and Mrs. Peter Markovich, 160 Northgate avenue.

Miss Jean Bolton, the home's executive director, will discuss the program of the home and the need it meets. Mrs. Helene Nemschoff, volunteer services coordinator, will outline the extension of the volunttter program, which is proceeding in the Bay Area and other areas in Northern California. It is hoped that such a group may be started in Daly City.

The volunteer program to broaden the base of support for the home is made possible by a San Francisco foundation grant. New supporting groups include the Marin County Circle, the Diablo Valley Circle in Contra Costa County, the Peninsula Auxiliary in the Palo Alto area, the West Valley Circle in Saratoga - Los Gatos, and the Humbolt County Circle.

Florence Crittendon Home is a non-sectarian maternity home for unmarried mothers, providing both residential and out-patient care. The program includes case work services, complete medical care through the University of California Medical Center, group work activities, and accredited tutoring for girls of school age. Included is planning with the mother for herself and her child, with referrals for adoption services and financial assistance.

## Founder's Fete For Phi Mus

The 111th Founder's Day celebration of Phi Mu Sorority will be held at noon Saturday at the Peninsula Golf and Country Club in San Mateo.

Mrs. Jack A. Campbell, president of the Bay Area Council of Phi Mu, will be chairman of the event, and Mrs. E. Ransom Fox is hostess for the luncheon.

Eta Theta chapter members from San Jose State will conduct the annual Founder's Day ritual and Eta Alpha Chapter members from the University of California will provide the afternoon entertainment.

Guest speaker will be Mrs. E. C. Lanphier of San Mateo, a Phi Mu alumnus from the Delta Chapter at Sophie Newcomb College in New Orleans. She received her Master's Degree at the University of California and is a teacher in San Mateo. She is listed in both the American Women's "Who's Who" and the American Education "Who's Who."

All Phi Mu alumnae living in this area are invited to attend. Luncheon tickets are $3.50 and reservations may be made by contacting Mrs. Jack A. Campbell, MO 1-2206.

## Red Cross Experience

Karen Mitchell and Marty Hecht represented Vista Mar at the Junior Red Cross Conference in Burlingame on Saturday. Supplies for the annual enrollment were brought back by the representatives.

Reporting to the 4th and 5th grade Vista Mar Student Body, Karen and Marty told of the work of the Junior Red Cross and further motivated the group by relating experiences of children in other lands less fortunate.

The Junior Red Cross drive is the annual enrollment period for student contributions to a worthy cause, thus developing in children social concepts commensurate with human understanding and itnerpersonal relations.

LUNCHING AT THE FAIRMONT HOTEL during the recent Holy Angels' Women's Guild "Grecian Fantasy" fashion show and luncheon are Mrs. William Reynolds, Mrs. Ray Savage, Mrs. Thomas Bocci, Jr., Mrs. Vincent Murphy, Mrs. Martin Berlin, Mrs. Richard Bocci, Mrs. Mario Mandoli and Mrs. Edward Hallan.

# Red Cross Classes At Lake Merced Start March 4

Golden Gate Chapter of Red Cross has scheduled three first aid courses for the general public this month and next. An advanced first aid class will be given at 1625 Van Ness Ave. beginning Feb. 26. Two-hour sessions start at 7:30 p.m. on Tuesdays and Fridays.

Two classes will start March 4 at the Lake Merced Boathouse. Standard first aid sessions will be held at 7:30 p.m. Mondays and Thursdays. Advanced first aid, also on Mondays and Thursdays, will be taught at 1 p.m.

Students should register with Red Cross at PRospect 6-1500. The Red Cross first aid textbook can be purchased at 1625 Van Ness Ave. or at Stacey's Book Store, 581 Market St. Cost is 75 cents.

Families who have difficulty leaving home for first aid classes can register for KQED's televised first aid course, to be shown Mondays at 4 p.m. and repeated at 7 p.m. starting March 4.

Telephone information lines will be open to the public Monday through Friday each week from 9 a.m. to 5 p.m. and also on Saturday and Sunday, March 9 and 10. If you have any questions about the final round of the K. O. Polio campaign, call:

342-7091

(For the K. O. Polio information number nearest to you, dial the telephone information number).

The K. O. Polio campaign is sponsored by 6,000 private physicians in the San Francisco Medical Society, Alameda - Contra Costa Medical Association, Marin Medical Society, Santa Clara County Medical Society and San Mateo County Medical Society.

## Students Hear Heart Discussion

Correlating studies of the heart, physiology students at Westmoor High School heard Dr. Emanuel Frieldman, representing the San Mateo Heart Association, speak about cardiovascular diseases. The doctor brought along an interesting film to initiate and deepen insight into the disease.

In the question period following the film, students queried as to the advance in techniques of repairing the heart and arteries due to atherosclerosis. Other questions included the Russian research in the heart disease field; how long it takes an artery to harden; colesterol level as related to diet and heredity; tranquillizers and their effect on the circulation; and the amount of research being conducted in the United States hospitals at the present time.

Physiology teacher, Mr. Carl Kaufeldt, expressed his approval of the San Mateo Heart Association's interest in conveying its latest developments to high school students and felt it a timely and definitely profitable experience.

## College Courses Opening to South SF Juniors

Juniors at South San Francisco High School will be able to take college courses at San Francisco State College and the College of San Mateo, according to Robert Howe, head counselor. They will have this opportunity next fall, as well as this summer.

This is the second year that South San Francisco High School students have taken college courses while in high school. Last summer three students attended the College of San Mateo and maintained better than a B-average in their courses. Attending were Nancy Marcoux, Bill Sheehan, and Myles Spann.

A student must have at least a "B" average in his high school work and must obtain the recommendation of his counselor. He must make application to one of the participating colleges.

Courses offered are freshman introductory courses that require no prerequisites. These include English, mathematics, and psychology courses.

DEMOCRATIC OFFICERS—Newly-installed officers of the San Mateo County Council of Democratic Clubs are (left to right, seated) Alexandra Dolmatz, San Carlos, recording secretary; Walter Golden of Menlo Park, president; Pearl Farkas, Redwood City, corresponding secretary; (standing, left to right): Edward Solomon of Daly City, vice president, and Joseph Fulford of Pacifica, treasurer.

## Artistry at Woodrow Wilson Founder's Day

Mrs. Arellanes, Founder's Day Chairman and First Grade teacher at the Woodrow Wilson School brought a breath of spring and artistry to the PTA Founder's Day Program.

"Washington's Birthday" was the theme. A minuet was presented by students, Kathryn Hayes, Orrin Patrick, Kathleen Herzog, Candido Celestino, Denise Steele, Michael deLosa and Noelle McCortney and Martin Krenn.

In the same theme, a play called "The Legend of George Washington and the Cherry Tree" was presented by Mrs. Arellanes' First Grade children. The cast included Theresa Larot, Billy Gamble, Jeanne Muylaert, David Tyce, and Martin Krenn. The founders of PTA Mrs. Bierney and Mrs. Hearst were played by Teresa Tabucchi and Judy Costa.

All the costumes were made by the First Grade mothers for their performing children.

Mrs. Lee's Campfire girls presented the colors and led the Pledge of Allegiance.

Another $50 was given to California Congress of Parents and Teachers for the scholarship fund in the name of two surprised recipients of Honorary Life Memberships.

## Student Teachers At Vista Mar School

Four student teachers from San Francisco State College are at Vista Mar for their initial student teaching. Experience in the classroom in all areas of the curriculum will be provided.

Mrs. Katherine Platt is the supervisor from the college. Students enjoying the advantage of living with children are: Carlene Carr at the kindergarten level with resident teacher Miss Mary Wade; Nancy Magee and Virginia Stokes in 1st grade with resident teachers Mrs. Helen Boyle and Mrs. Paula Shepard, respectively, and Dell Walters in 2nd grade with resident teacher Miss Mary Helen Monroe.

Mrs. Luster, past president and member of many organizations, is the wife of Mr. Orville Luster, Director of Youth for Service.

Mrs. William Buser has worked for many years with PTA and charitable organizations. She is also very active with her church.

The principal of Woodrow Wilson, Mrs. Ethel Hahn, gave an informative talk on "Health and Education Around the World" based on her recent trip.

## Daniel Webster Orchestra 14-Strong

The Daniel Webster Beginning Orchestra now numbers fourteen instrumental music students. This group is composed of second year students. Occasionally first year instrumental students are admitted to the orchestra if they have progressed enough during the year. This year's orchestra members and the instruments they play are: Ed Spiteri, Steve Sarhad, Paul Grech and Don Ragland, drums; Valerie Garland and Jacqueline Carbone, violins; Mark Panagelli, trumpet; Jeff Bentz, Jeanine Hirschhorn, Dyann Duling, Paul Smith, and Joyce Fickert, clarinets; Ken Walker and John Reuter, saxophones.

The orchestra meets every Thursday in the multi-use room at 2 p.m. The types of music played are well known marches, waltzes, and folk songs.

The Daniel Webster orchestra usually participates in two programs during the year —Christmas and the Spring Concert. There are many benefits for the children who are interested, can qualify, and are willing to work with an instrument.

Orchestra players often continue to play in music organizations in the intermediate and high school. Some students from past years have gone on through college to make music playing and teaching a career. Most of the players find that later in life music remains as a hobby, and frequently is a means of earning extra income. By taking part in instrumental groups a child is able to gain a greater appreciation of all music.

## Electronics And Art A New Approach

Art, as well as the artist, is now reacting to the viewing public, at least reacting to those who come attired in red to the "Objects Kinetic — Charles Mattex" exhibition, currently at the San Francisco Museum of Art through March 10.

One of the intricate, electronic-triggered constructions has a section which moves only when someone in red moves into range. Other parts also move, but when the construction "sees red," things really happen!

In his first museum exhibition, Mattox is presenting 18 "machines" and 12 "pendulum drawings," all fascinating products of the artist's interested "investigation of the relationship between art and modern technology."

Complex electronic feedback systems, worked out for the past two years in cooperation with electronics expert Earl Williamson, enable the machines to respond to changes in their immediate environment to create a virtual kaleidoscope of motion in many colors and shapes.

Many-sided rotating panels, geared strips, hanging cylinders, strung and balanced shapes explore the aesthetic possibilities of contemporary technology in response to changes of light, movement, heat, and other stimuli.

Gallery hours at the museum, which is located in Civic Center, San Francisco, are 10 a. m. to 10 p. m., Tuesday through Friday; 10 a. m. to 5 p. m. Saturdays, and 1 to 5 p. m. on Sunday. The museum is closed Mondays.

## Full Teen Club Schedule

A full schedule of activities and programs are being planned by the various senior and junior high teen clubs sponsored by the Daly City Recreation Department.

General activities scheduled for teens in the coming months include a co-ed volleyball tournament for high school students during the Easter vacation period and the First Annual Junior High City-wide Dance planned for May. A committee of representatives from each of the junior high teen clubs is being formed to plan and organize this later activity.

Hilights of club activities are as follows:

HI-FI — A series of special events have been set for the month of March. March 8, Roller Skating Party; March 9, Executive Council Progressive Dinner Party; March 30, Snow Trip to Dodge Ridge.

CASUALIERS — A Washington's Birthday roller skating party at Rollerland at the Beach was enjoyed by over 50 club members, advisers and parents. In addition, members of the club's executive council enjoyed an outing to Playland on Lincoln's Birthday. Future activities for the club include a bike ride and picnic through Golden Gate Park and a special Easter Vacation outing.

IMPERIALS — Members of the club's executive council and club adviser Maureen O'-Shaughnessey got into the swing of President Kennedy's physical fitness program by hiking from the War Memorial Community Center to Thornton Beach and back, a small start on the 50 mile hike program. While at the beach, they enjoyed themselves with a picnic and games. A Valentine Dance and Party have highlighted recent club programs.

MAJESTICS — A very successful Valentine dance was held on February 15. Special games, dance contests and refreshments featured the evening's activities. A scavenger hunt is being planned for the club's next activity night.

BEN FRANKLIN JUNIOR TEEN CLUBS — After a long delay due to the Washington's Birthday holiday following on club night, members of the three junior teen clubs meeting west of Junipero Serra Blvd. are eagerly looking forward to their next club night, Friday, March 8. Featured event of the evening will be the selection of names for each club. A list of suggested names will be on the ballot at each club for the members' selection. Also, Friday, March 8, will be the last night of the current membership drive for new members at each of these clubs.

The following evening, March 9, will be the council selection party for nominees from each of the three clubs. The party scheduled from 4 to 9 p.m. at the Westlake Park Clubhouse will be used as a means of selecting members of each club's executive council. Admittance to the party is by invitation only to those nominated either by their fellow club members or by their club advisers.

## Merit Awards For Seniors

Certificates of merit, awarded in recognition of high performance in the National Merit Scholarship program, have been received by Westmoor High School seniors Ken Lehre and Jack Petranker.

After being named semi-finalists on the basis of their scores in the National Men's Scholarship examination, Ken and Jack went on to earn the title of "finalist" because of their high College Entrance Examination Board scores in December.

This distinction, won by fewer than 11,000 students, comprises only one-half per cent of the secondary school seniors in the nation. Public announcement will be made about April 25 as to the winners from this finalist group. Approximately 1200 finalists will be offered merit scholarships in the current competition.

## Seniors Score High in State Aptitude Tests

Scoring high in the December Scholastic Aptitude test may prove very rewarding for several Westmoor High School seniors.

These students, who were among the thousands to apply for state scholarships, are now numbered among the semi-finalists. The scholarships, which range from $100 to $900, are now a possibility for Ken Lehre, Ann Irby, Eugene Poggio, David Levine, Robert Patent, Mark Stutsman, Marilynn Magner, Michael Hunter, Barbara Kramer and James Rutledge.

Planning to attend University of California in Berkeley are Ken Lehre, Eugene Poggio, Robert Patent, Mark Stutsman, Michael Hunter, and James Rutledge. Marilynn Wagner and David Levine have filed applications for admission to University of California in Los Angeles. Ann Irby aspires to Pomona College; Barbara Kramer, San Francisco State.

The semi-finalists must go through several steps in order to be considered as candidates for state scholarship. Parents of the applicants are requested to file the Parent's Confidential statement. Applicants must fill out cards indicating the college or university of their choice, and finally, a transcript of records must be filed with the Commission.

Final winners of the renewable tuition scholarship will be announced April 10.

## Jeff Co-Ed Wins Speech Contest

Janice Keith, daughter of Mr. and Mrs. Robert Keith, 636 Bellevue avenue, Daly City, was named the winner of the Daly City-Colma Lions Club Speakers Contest held Feb. 20 at the International Inn.

Janice, a student at Jefferson High School, will compete with other club winners at the zone contest on March 6 at the El Rancho Motel in Brisbane.

Other speakers were Lois Downall of Jefferson; Kathy Adams and Steve Lerner of Westmoor High School. Judges were Mrs. John Mongan, former speech teacher; Samuel Chandler, Daly City librarian and former English teacher, and Robert Olson of San Mateo College.

## Roger P. Powers Completes Basic

Roger P. Powers, son of Mr. and Mrs. Arthur H. Powers of 492 Donaldson, Pacifica, Calif., completed recruit training, Feb. 8, at the Naval Training Center, San Diego, Calif.

During the nine-week indoctrination to Navy life, recruits are trained in physical fitness, basic military law, military drill, customs and etiquette of the naval service, swimming and survival, first aid, and seamanship.

Each recruit receives tests and interviews to determine future training and assignments.

## Trials Acted Out In Speech Class

"The objection is overruled" and "The plaintiff is ready" may now be heard throughout Westmoor High School's English hall, where students in the advanced public speaking class are holding their annual mock trials.

Cases such as a leader of a lynch mob being tried for murder, or a woman on trial for killing her husband have been used in the past.

This year, however, the class will depict a gang war trial. The attorneys Carol Boyd and Carole Marlar were chosen by the members of the class. Craig Helgoth, a witness, was also chosen.

Through these trials, Miss Mary Ann Holden, the public speaking teacher, attempts to show the students the general court procedures. By participating in the trial the students also gain more opportunity to speak before a group and learn to be at ease before their audience.

## Photography Hobby Of Biology Teacher

Photography as a hobby can be very interesting. To Mr. Harold Fredricks, Westmoor High School biology teacher, it has been a hobby for nearly eight years. Combining pleasure and profession, he has used many photographs for visual-aids to his classes.

He has been interested for some time in ecology, which is the study of man's environment with animals. Ecology in photographic form enables Mr. Fredricks' classes to see pictures of the things they are reading and hearing about. Most of the pictures are either bay area or Fleishhacker Zoo wildlife. He has also taken some pictures of aquatic animals and made them into color slides to show his students.

Mr. Fredricks, who taught photography in a junior high school in Sacramento, expresses an earnest desire to some day have a photography laboratory here at Westmoor so he might share his interesting hobby with others.

## Terra Nova Class Elections Held

On Friday, February 15, class elections were held at Terra Nova. The winners were:

**Seniors:**
President, Charles Ortisi; Vice-president, Pat Bushard; Secretary, Sandra Finley; Treasurer, Sharon Larkin.

**Juniors:**
President, Eddie Sohl; Vice-president, Tanya Arcouette; Secretary, Jerri McKinnon; Treasurer, Joe Higgins.

**Sophomores:**
President, Kathy Booth; Vice-president, Terry Walker; Secretary, Charleen Mueller; Treasurer, Greg Fassler.

**Freshmen:**
President, Ron Weber; Vice-president, Cheryl Crawford; Secretary, Sandy White; Treasurer, Dave Patterson.

Linda Eldred and Ron Montgomery reigned as queen and king of hearts at the Sophomores Valentine Dance, "Cupids Caper," on Friday, February 15.

About 250 students came to dance under red and white balloons around a heart-shaped pavilion.

Also on Friday, the Lions Club Speech Contest was held at the City Hall in Sharp Park. The winner was Cheryl Crisp from Terra Nova. The other participants were given second place trophies. They were: Claudia Davis, Mary Ann Flynn, Jeanie Halcomb, and Judy Bendik from Terra Nova and Dea Beach from Oceana.

Six seniors from Terra Nova were notified that they had placed as semi-finalists in the State Scholarship competition. The lucky six were: Ken Kirkland, Barbara Sims, Karen Post, Clayton Derochie, Storm Goranson, and Jorgen Vindum.

In order to qualify as a semi-finalist it was necessary to score very high in both the math and verbal sections of the Scholarship Aptitude Test. The scores of these people were mostly in the high 700's. Eight hundred being the highest possible score, this was an outstanding score.

Wednesday, February 20, marked a high spot in the lives of a few seniors who were named as winners of the Bank of America awards.

The three trophy winners were: Liberal Arts, Ken Kirkland; Math and Science, Jorgen Vindum, and Vocational Arts, Marsha Zwiep.

In specific fields, the following people were awarded certificates of achievement: Math, Jorgen Vindum; Lab Science, Gary Cochran; Music, William Whalen; Art, Patricia Hayes; English, Barbara Sims; Social Science, Betsy Morrison; Foreign Language, Ken Kirkland; Business, Marsha Zwiep; Home Economics, Dorothy Polster; and Industrial Arts, William Wagner.

## Pacifica Teen Club Activities

The Pacifica Teen Club meets every second, third and fourth Tuesday at Pedro Valley School from 7:30 to 9:30 p.m. Special activities, conducted by the Teen Clus, is a once-a-month Sports Night, and monthly dance.

The Sports Night is held on the first Wednesday of the month at Oceana gym from 7:30 to 9:30 p.m. The dance is held on the third Saturday of each month at Pedro Valley School from 8 to 11 p.m. The Teen Club is going bowling February 22 for their special event of the month.

Membership cards are $1 and may be purchased at the club meetings or at dances. The club is under the sponsorship of the park, beach and recreation department.

The department's telephone number is FL 5-4151.

# Missionary Speaker At W'side Baptist

Friday evening, March 1, at 6:30 o'clock at the Grace Covenant Church social hall, 740 Del Monte avenue, South San Francisco, Rev. Fred Thomas, missionary to Cebus, Philippine Islands, will be the featured speaker at a fellowship pot-luck dinner meeting. Rev. Thomas is one of 13 missionaries ministering this week in Northern California Baptist General Conference churches. At this service, nursery and child care service will be provided, and the public is invited to share in this service.

REV. FRED THOMAS
Philippine Islands

Rev. Thomas, born in Virginia, received his early schooling in Wisconsin, and then attended Bethel College in St. Paul, Minnesota, from which he graduated in 1955. He then attended Bethel Theological Seminary, graduating in May, 1958, with a Bachelor of Divinity degree.

Rev. and Mrs. Thomas were appointed as missionaries to the field of Cebu in 1958, and arrived on the field the early part of 1959. Since that time, they have been engaged in a teaching ministry at the Baptist Bible School in Cebu.

Following his appearance at Westside Baptist Church, Rev. Thomas leaves for Southern California, where he and the 12 other missionaries will minister in many of the 46 Baptist General Conference churches.

Wednesday evening, February 27, at 7:45 p.m., the regular midweek Bible study hour meets at the Robert Anderson home, 468 Oak street, San Bruno. At this service, another missionary presently home on furlough, will be the guest and special speaker. Mrs. Louise Carlson, wife of Dr. Dennis Carlson, M.D., of the Door of Life Hospital in Ambo, Ethiopia, will bring the challenge of the work in Ethiopia, and will highlight her remarks by showing some recent colored slides of the work of the hospital and the field of Ethiopia.

Mrs. Carlson, a native of Seattle, Washington, received her college education in Missouri, and did graduate work in the field of music in Seattle, Washington. She and her husband are members of the McMicken Heights Baptist Church in Seattle, Washington.

The Carlson's are presently living in Berkeley while Dr. Carlson is working toward his Master's Degree in public health, at the University of California.

Sunday morning, March 3, Sunday church school convenes at 9:45 a.m., and at Westside Baptist, there are nine classes, for all age groups, nursery through adult. During the Sunday School hour, the pastor is conducting a membership class for adults.

"Obedient Unto Death" will be the pastor's Communion meditation at the 11:00 morning worship hour. The ordinance of the Lord's Supper will be observed, and the right hand of church fellowship extended. During the preaching portion of the service, a primary church is conducted for all children four years of age up through the third grade. There is also nursery service for babies and toddlers.

Sunday evenings at 6:15 o'clock is Conference Youth Fellowship Time. Three youth groups meet: Jet-Cadets for junior age boys and girls, then a junior high and senior high conference youth fellowship group.

Another highlight in the calendar of Westside Baptist Church will be observed Sunday night, March 3, at 7 p.m. At this service, a recently-published colored film strip, produced in cooperation with a Conference Baptist pastor, Dr. Harold Carlson, in Lakewood, California, will be shown.

Dr. and Mrs. Carlson recently returned from a tour of the major mission fields of the Baptist general conference, and while on this tour, Dr. Carlson took pictures of the work of the missionaries, some of the natives, and pictures of the surrounding country, and also recorded singing on the part of the natives, interviews with missionaries, and the sounds prevalent in foreign mission fields. Dr. Carlson narrates the film.

Westside Baptist Church holds their Sunday services in the auditorium of the Southwood School, Southwood drive and Hill streets, in South San Francisco. The church is affiliated with the Baptist General Conference.

## Epiphany Guild Day of Recollection

A Day of Recollection has been planned for Sunday, March 24, by the Epiphany Guild. All ladies of the Parish are invited to attend. The Retreat Director will be Rev. Wm. Hagan, S. J. He will give hsi first talk at 10 a.m. in the School Gymnasium. There will be a Mass at 11:30 in the same building before a special altar facing the congregation.

A box luncheon will be served at 1:30 in the School Cafeteria. There will be further talks and a discussion period in the afternoon in the Gymnasium. The day will conclude with Benediction of the Most Blessed Sacrament in the Epiphany Church at 3 p.m.

Fr. Hagan is presently assigned to Alma College, Los Gatos. The main theme of his talks will be the Mass and the Holy Eucharist. If there are any subjects the Guild members wish discussed that day they are requested to write them out and give them to Mrs. Karl Wetteland, Spiritual Activities Chairman, at the next Guild meeting on Thursday, March 14. Reservations will be taken that evening.

# CHURCH EVENTS

TEMPLE JUDEA Congregation at 95 South Mayfair, founded in 1953, will move eventually to their new temple on Brotherhood Way. Three hundred families form the congregation in Daly City. The new church is expected to add 75 more families.

# Congregation Judea Founded In 1953

The Temple Judea Reform Jewish Congregation was organized in October, 1953 at 95 South Mayfair avenue in Daly City. There are now 330 children in the church religious school and 300 families in the congregation. Rabbi Bernard Rosenberg was the first spiritual leader.

Rabbi Herbert Morris is guiding the congregation in its building program for a new temple on brotherhood way in San Francisco. Groundbreaking ceremonies for the new Temple were held last Sept. 23. The temple, designed by architect John Bolles will be built by Henry Doelger Construction Company. The new building is expected to swell the congregation by 75 families from this area and San Francisco.

President of Congregation is Hillard Goldstein, Harold Wachter is Cantor Administrator. Hebrew classes are conducted in a weekday Hebrew School preparatory to Bar and Bas Mitzvah. Sunday school commences with a prekindergarten class for children one year prior to their entrance into public school and continues through confirmation.

The temple hosts an active congregation, including a sisterhood, men's club, youth group, single adult group and adult education classes.

Rabbi Morris said it is his hope on Brotherhood Way to interchange ideas with other faiths as an avenue for intercultural and interaffair activities, to explore the basic similarities and differences between the faiths, and also to help solve community problems.

# Temple Judea Leader Conference March 1

Temple Judea will hold its regular Sabbath Evening Services this coming Friday evening, March 1, at Temple Judea at 8:30 p.m. Rabbi Herbert Morris will speak on the subject: "What's Happening at the Cabana?"

Plans are being finalized for Temple Judea's Leadership Conference to take place this coming Sunday, March 3, at the Cabana Motor Hotel in Palo Alto. The all-morning Conference—which commences at 9 a.m. and lasts until noon—will include a hot breakfast from the excellent kitchen of the Cabana—the Peninsula's newest and most luxurious resort motor hotel.

After breakfast, the Congregants will hear an address by Mr. Hillard Goldstein, President, Congregation Judea, and by Rabbi Herbert Morris, spiritual leader of Temple Judea. There will then be individual committee workshops conducted by lay leaders of the Congregation.

Taking part in this Temple Judea Leadership Conference will be: Earl Raab, Associate Director, Jewish Community Relations Council; Rabbi Joseph Glaser, Union of American Hebrew Congregations; Rabbi Max Hausen, Youth Director for Northern California and Pacific Northwest Regions of the Union of American Hebrew Congreations; Mr. Vernon Kaufman of San Francisco, prominent Jewish layman; Mr. Guy Landsberg, Executive Director, Temple Beth-El, San Mateo; Rabbi Sidney Akselrad, Temple Beth Am, Los Altos.

Those wishing to attend this Leadership Conference are urged to send in their reservations ($2.50 per person) to Temple Judea, 95 South Mayfair Avenue, Daly City.

## Witnesses Conclude Circuit Convention

Completing three days of spiritual instruction and sharing their faith and beliefs with the people of San Francisco, Jehovah's Witnesses concluded their circuit convention at the Scottish Rite Temple.

H. C. Casperson, Presiding Minister of the Daly City congregation, announced that 2,365 were in attendance uSnday to hear District Minister Arthur L. Borchardt, a traveling representative of the Watchtower headquarters in New York speak on the subject, "Who Will Win The Struggle for World Supremacy?"

Borchardt pointed out that the survival of mankind today depends not on the outcome of the present East-West struggle, but on the outcome of the "War of the Great Day of God the Almighty" (Revelation 16.14). "This battle of Armageddon is due to come upon this generation," the Witnesses were told.

Friday and Saturday sessions consisted of a selection of talks on Bible subjects, with demonstrations and discussions designed to train the delegates to be better qualified teachers of the Bible in their local congregations.

Meetings at all the local Kingdom Halls will be resumed this Thursday at 7:30 p.m. At this meeting, the congregation will discuss the information gained at the convention and its application to the door-to-door ministry in the local community.

# Mid-week Service At W'lake Lutheran

"Journey to a Cross" is the theme for a series of midweek services at Westlake Lutheran Church, at Westmoor Ave. and Avalon Dr. In observance of the Lenten season the congregation will gather each Wednesday evening at 7 p.m. to follow in the steps of Jesus Christ in his last days and hours. Each evening there will be a film strip, singing and special music to depict a specific event in the journey of Christ. "Gethsemane" is the event for the first service Wednesday, February 27.

Beginning Tuesday, March 5, at 10 a.m. a new Bible study and discussion group will meet at the church to confront the life and message of Jesus Christ as found in the Gospel of Luke. A secondary purpose of the group is to deepen understanding of God's Word and to sharpen skill in the reading of Scripture.

Youth of the church will journey to St. Andrew's Lutheran Church on Saturday evening to take part in a Youth Rally sponsored by the Lutheran Bible Institute. The Rev. Maynard Force, president and teacher at the Lutheran Bible Institute in Los Angeles is the guest speaker. On Saturday morning the younger teen-agers will meet with the pastor for special study in the teachings of the Lutheran Church. The senior confirmation class meets at 9, the junior class at 10, each Saturday morning.

"Does the Devil Exist?" is the sermon theme of Pastor Kenneth Hansen at the 11 a.m. Sunday worship service. The senior choir will present special music.

## Lutherans Will Hold World Day of Prayer

The San Francisco zone of the Lutheran Women's Missionary League is sponsoring a World Day of Prayer Service to be held on Friday, March 1, at 10:30 a.m., in Bethel Lutheran Church, 2525 Alemany boulevard.

The Rev. Theo. Polster, pastor of Our Saviour's Lutheran Church, Pacifica, zone pastoral counselor, will serve as liturgist. The Rev. Herbert P. Schroeder, pastor of Bethel Lutheran Church, will deliver the sermon.

In view of the troubled conditions in the world and the uncertainty of our times, the need of such a prayer service for Christians to seek divine guidance and blessing is most evident. Everyone is welcome.

## Purim Luncheon by Daughters of Israel

The Daughters of Israel will hold a Purim luncheon at noon on March 6 at the Congregation Israel, 67 Los Banos avenue. Guests are welcome and donations of $1 will be accepted, according to Sadie Zeller, president of the Group.

## Lenten Vespers At Our Redeemer's

Two midweek lenten vespers will be held each Wednesday evening, at the Our Redeemer's Church, El Camino and Southwood Drive, beginning on Ash Wednesday, February 27, at 7:30 p.m.

Two auditoriums will house the worshippers attending the midweek services during the lenten season. The sanctuary and the youth room both will be utilized.

A twelve foot, crude, wooden cross will be set at the steps of the chancel. This life-size cross will be a reminder to all believers of their Lord's sacrifice.

The 7:30 p.m. hour chosen for both services will allow children and youth to attend. The Serivces will be conducted simultaneously each Wednesday evening during Lent.

## Rev. Daniel McGinn Epiphany Guild Guest

Rev. Daniel McGinn of the Columbaiy Fathers will be the guest speaker at the March 14 meeting of the Epiphany Guild. As March is dedicated to Vocations his talk will be on that subject. Fr. McGinn has recently returned to the States after seven years' missionary service in Japan and is currently assigned to the Columban House in this city.

All mothers in the parish who have sons or daughters in the religious life will be honored guests this evening.

Sr. Mary Kathleen, B.V.M., Principal of the Epiphany School, will display the new uniform for the girl students which will be in effect at the start of the school term in September.

Nomination of new officers will take place at this meeting. All members are urged to make a special effort to be present.

Hostesses for the evening will be the second grade mothers under Room Mothers Mrs. David Gavigan and Mrs. Michael Praksti.

# Missionary Pilot To Speak

A first-hand account of flying between mission stations in the undeveloped mountains of New Guinea will be given by David Steiger, a former Air Force B-26 Bomber Pilot, this Sunday evening at 7 p.m. at Seacliff Community Church.

David Steiger
Missionary Pilot

Mr. Steiger was influenced by Nate Saint, one of the five missionaries killed by the Auca Indians in Equador, to volunteer as a member of the Missionary Aviation Fellowship, which also requires the pilot to be a licensed mechanic. In addition to these requirements, the MAF pilot must possess favorable character traits, be willing to serve others, and have some natural aptitude in acquiring a language.

The Steiger family moved to New Guinea in 1954 where he served as the first MAF pilot. At present the work has grown to include five Cessna planes which provide transportation, food, medicine and various other supplies for 200 missionaries. In addition to this they have built over 35 airstrips. This new method of supplying missionaries in undeveloped areas has revolutionized the entire operation as five minutes of flying time equals 24 hours on the trail.

Mr. and Mrs. Steiger and their two daughters, Miriam and Terry, are new residents of Westlake while Mr. Steiger extends his educational needs. He is employed as an aviation mechanic at United Air Lines.

## Pack 360 Holds Blue-Gold Dinner

### CLOUDBURSTS

Although rainstorms are practically unknow in Death Valley, the effects of cloudbursts are almost unparalled, according to the National Automobile Club.

## World Day of Prayer To Be Observed

Friday, March 1, is the 77th World Day of Prayer, in which women of our Peninsula Area will join with hundreds of thousands in services around the world. The local observance will be held at St. Matthew's Episcopal Church, El Camino Real at Baldwin, San Mateo, at 1 p.m., sponsored by the Peninsula Council of United Church Women. The service is open to all who wish to be a part of this world-wide prayer fellowship.

The World Day of Prayer service is not just a program. It is planned as an active experience of prayer, to give us a sense of unity with the world-wide church, and a response to this in informed giving.

## "Re-Thinking Lent" Topic at St. Paul's

The sermon topic by Rev. Robert A. Lundy of St. Paul's Methodist Church, South San Francisco, on Sunday, March 3, is "Re-thinking Lent." A coffee hour fellowship will be enjoyed between 10:30 and 11 a.m.

The Inter-Church Wesley Fellowship group of South San Francisco meets at the home of Richard Massey, 676 Myrtle Avenue, Sunday, March 3, at 7:30 p.m.

The Official Board of St. Paul's Methodist Church, South San Francisco, will meet at the home of Joe Parson on Monday, March 4, at 7:30 p.m. Devotions will be conducted by Mrs. Blanche Ostrander.

## Evangelistic Services At Ocean View Church

Evangelistic Services will be held at the Ocean View Church of Christ, 201 Head Street, San Francisco, beginning next Sunday, March 3 and continuing through March 17. Services will begin each night at 7:30 with Monday as rest night.

Brother Lynn Gardner, minister of the Eastside Church of Christin Turlock will be bringing the messages. Some of the titles will be as follows: "Visitor from Outer Space," "John Brown's Will," "Saved, But with Regrets," "Three Crosses," "Christ is Coming," "God Was in Christ Reconciling," "Your Final Exam," "Remorse or Repentance," "Dead, but not Forgotten,' and "Who is Forutnate."

This outstanding young evangelist was reared in Indiana and received his Bible Education at Ozard Bible College at Joplin, Missouri. He received his Bachelor of Theology degree in 1962. Since graduating, he has taught Philosophy and Apologetics (defense of Christianity).

Brother Gardner married the former Barbara Thompson from the Church of Christ in Holyoke, Colorado on February 24, 1961.

Brother Gardner preached for the church in Severy, Kansass, and two years for the church in Schell City, Missouri, during his student days at Ozark Bible College.

If you have any further questions, please feel free to call the minister, Vyron Fender at PL 5-6179 or Ralph Wells at PL 6-2868. The public is cordially invited to attend all of these meetings. Also included in the meetings will be special music each night from local and out of town congregations and chalk drawings.

## Lenten Services Set at Bethel Lutheran Church

Bethel Lutheran Church, 2525 Alemany boulevard, will conduct midweek Lenten services beginning Ash Wednesday, February 27, at 8 p.m. The Rev. Herbert P. Schroeder will preach on the theme: "The Cross and the Scriptures." The subject for Ash Wednesday is: "The Cup of Suffering." The Sacrament of Holy Communion will be celebrated. Lenten folders and other literature, extending a personal invitation to everyone, is being distributed widely. Sunday school children will receive special recognition for their attendance at the midweek services with their parents.

Sunday school and adult Bible class are conducted every Sunday at 9:30 a.m. The J-O-Y Group (Jesus-Others-You), a Bible class for those of high school age, meets at the same hour. The pastor conducts the adult Bible class. Sunday worship is held at 8 a.m. and 10:45 a.m.

**ARCHBISHOP'S CHARITY APPEAL**
SUNDAY MARCH 3

## *Archbishop's Charity Appeal Is March 3*

Sunday, March 3, has been designated by the Most Reverend Joseph T. McGucken, Archbishop of San Francisco, and by the bishops of the Dioceses of Stockton and Santa Rosa, as Charity Sunday for nearly 1,000,000 Northern California Catholics.

Beginning February 25, the Appeal campaign poster, depicting a youngster on the threshhold of delinquency, will appear in all churches and facilities in the 17 counties within the three dioceses.

Contributions to the annual Catholic Charities Appeal collected in the parishes, help support Catholic charitable agencies in every community providing such services as marital counseling, foster home or institutional placement of homeless children, care for unmarried mothers, meeting problems of the aged and the needs of the poor and hungry, and many other services in the field of social welfare.

## Local Man Named VFW Aide-de-Camp

Byron B. Gentry, Pasadena, California, Commander-in-Chief of the Veterans of Foreign Wars, has announced the appointment of Chester R. Olmanson, 137 Bismark St., Daly City, as National Aide-de-camp, Recruiting Class of the V.F.W.

In making the announcement Commander-in-Chief Gentry said: "It is with pleasure that we recognize the outstanding job Mr. Olmanson has done in the field of recruiting new members. With workers such as he, the growth of the veterans of Foreign Wars is assured."

## K. O. Polio Info Centers Are Manned

Volunteers now are manning K. O. Polio telephone information centers in San Mateo County to answer your questions on Type III polio and Sabin Type III oral polio vaccine, Dr. Howard W. Lindsey of the San Mateo County Medical Society announced today.

Type III Sabin drops will be offered to everyone on K.O. Polio Family Day, Sunday, March 10, Dr. Lindsey, K. O. Polio chairman here, especially urges all children, persons living in families with children, pregnant women and those intending to travel overseas to take the vaccine.

In keeping with the Christian purpose of the organization, a talk on a religious theme is given at each meeting by the chaplains, Robert and Marjorie McBride. All couples who wish to share in the social activities and spiritual fellowship of this club are invited to attend. Please call PL 5-9063 for reservations.

## Congregation B'nai Israel Services

Congregation B'nai Israel will hold its regular Friday evening service at 8:30 p.m. at 67 Los Banos Ave., Daly City with Rabbi Shore officiating. The Rabbi's sermon for the evening will be "Social Justice," origin of law and justice as described in the old testament.

### Purim Fun Night

The sisterhood is planning, under the chairmanship of Mrs. Gary Papelbaum and Mrs. Julius Michaelis, a Purim Fun Night which will be held in the social hall of the Temple, 67 Los Banos Ave., on Saturday, March 9, at 8 p.m. There will be bingo, card games, door prizes and surprises. Refreshments will be served. Everyone is invited to attend.

Get your groups together and make your reservations by calling either Mrs. Gary Papelbaum at WY 2-4258 or Mrs. Gary Kroner at PL 5-8926. Remember to keep that date open, March 9, for the B'nai Israel Purim Fun Night.

# "Take My Best" Theme At Bethel

The Women's Missionary Council of Bethel Church will present a special program in observance of National W.M.C. Day during the morning worship service at the Church on March 3, 1963. Theme of the program will be "Take My Best." It will include a visual demonstration and special music.

Some 6,000 Women's Missionary Council groups across the nation will be presenting simular programs on W.M.C. Day as a means of acquainting the entire church with the motivation and ministry of the Women's Missionary Council.

The Women's Missionary group in the church here participates in the Missionary program by assisting in the support of missionaries, and by supplying clothing, equiptment, and other items for missionaries at home and abroad.

Bethel would like to invite all who are interested in the activities of missionary work to attend this program. Bethel is located on Higgins Way at Adobe Dr. in Linda Mar, Pacifica.

# Book of Romans Study at Wesley Methodist Church

On Monday evening, March 4, the Faith and Life Visitation Teams of Wesley Methodist Church will meet for an hour's study of the Book of Romans. The teams will then spend the rest of the evening calling on non-church members of the community together with their own congregation.

One of the objectives of the Faith and Life visitation teams is to recapture the dynamic discipleship of the founder of the Methodist Church, John Wesley.

The program which Wesley Church is carrying out is part of the Faith and Life Mission of the Methodist Church during its Aldersgate Year.

Reverend Harold Thompson's sermon for March 3 will have, as its theme, the Faith and Life Mission.

The Wesley Choir has selected, as its "Hymn of the Month" for March, "The Churches One Foundation." The choir participated with other choirs from Methodist Churches in the Golden Gate District in the "One Great Hour of Singing" which was held at Temple Methodist Church on February 17.

On March 5, the Woman's Society of Christian Service will hald their monthly program at the home of Mrs. John Morton, 811 Maddux Avenue, Colma. Mrs. Mary Murray will lead the discussion on "Today's Children for Tomorrow's World."

All interested ladies are encouraged to attend. Refreshments will be served.

## The Law and Mr. Jones

If obeying and trying to comply with the law seems an impossible task — don't be surprised. Assemblyman Don A. Allen, Sr. of Los Angeles who maintains extensive files on the astounding number of pieces of legislation proposed, studied, and passed, declared recently that we should have a moratorium on enactment of laws.

Allen said, "We've got 46,000 laws on the books now and we can't even get the people to keep the Ten Commandments."

When one adds to this the Federal, county, city and special district regulations, the complexity of the law becomes overwhelming.

So next time someone says, "There ought to be a law . . ." just remind them . . . there probably is!

## We Keep On Growing

We note in the California Taxpayers Association news that San Mateo county has had an estimated population growth of 12½% or 55,713 since the census of 1960. County population as of January 1st was 500,100.

A goodly portion of this growth has been in Daly City which has increased more than 6000 since the last census.

So if you find the freeway traffic heavier, the stores busier, and the schools more crowded, there is a substantial reason for it...more and more people in Daly City and San Mateo County.

## Public Hero Number 1

People who go for that sort of thing estimate that by March 1st Americans will have opened no less than 6,679,451,670 (that's over six billion) of the 47 billion tin cans they will require in 1963 for floor wax, pill boxes, paint and soft drinks, for nourishment and health, enjoyment of the good earth's bounty and general convenience.

Our growing dependence on this universal protective device over the past 152 years—this public defender and benefactor whose demands for steel exceed those of our armed forces—suggests that, short of nuclear holocaust, there could be no greater cataclysm than to lose our can-openers!

Indeed, should wicked gremlins spirit away all these implements — the simple dime-store blades with fulcrums (or is it fulcra?), the pointed levers that puncture our beverage and lubricant containers, the more elegant crank-type openers and the deluxe, ultra-sophisticated, automated instrument that removes can tops electrically—we should be a nation starving in the midst of plenty.

But much as we may fret about the weather and politics and income tax returns and what-in-the-world is GNP anyway, such a catastrophe is one thing we don't have to worry about. Often as we may misplace our can-opener, such a loss could hardly happen to everyone at once. And besides, practically every household has a spare of some sort. Still, it is something to think about next time you open one of the 825 cans the average family depends on every year.

If we knew who first invented this indispensable tool, we would urge a monument to his memory—in every public square!

## Something For Everyone

by Samuel Chandler

I received five protests to my article about censorship that was published in the Westlake Times on February 13. One of them contained this statement:

"Your comments about censorship confuse me. When I come to the library, I make it a point to ask you to recommened books for me to read. You always give me books that tell about the beauties of nature and the decency of man. Yet in your column you say we should put up with filth."

I do like titles that picture beauty and depict the dignity and decency that man can achieve. For this reason, I enjoy man authors. Foremost among them are Burns and Whitman, Hawthorne and Emerson, Robert Frost and Salinger, Dickens and Costain.

As I have a right to enjoy the works of these men and others, I must recognize that other men have a right to their tastes. If I want to change another's tastes, I can suggest other titles to him; I can only guide him. I can beg him,,, I can argue with him, I can fight with him, but I can't force him. As I said on February 13, "History shows that censorship has failed whenever it has been used to suppress recorded words, however vile."

"Frankly, I deplore novels that are full of filth, although I recognize that some of them are written to depict conditions that move an artist like Henry Miller or Lawrence Durrell to make pictures that might compel readers to do something to correct the conditions.

Recently the courts of California ruled that the question of what is obscene depends upon the standards of the community. Problem literature is placed in public libraries and sold in book stores because people request it.

## The View From .. Behind The Badge

Written and Edited by Daly City Police Department

**The Taxpayers Make Out . . .**

By happenstance that occurs all too infrequently in government, we find ourselves happily faced with a situation wherein policement are being trained at no cost to the taxpayers.

No, taxes are not going down. We doubt that they ever will, what with police and other governmental services becoming more expensive and more in demand.

**The Customer . . .**

The people who are paying for this training are those same people who receive the attention of these same trained policemen in various of the traffic and criminal investigation fields. Payment is made by assessment. This is done at the rate of five per cent added to all criminal and traffic fines and bails.

Taxpayers, then, are not assessed as such. Those who transgress legally are so assessed — and so it is with something akin to poetic justice that the very customers of the officers are those who pay for his technical education.

**Not Left at the Post . . .**

POST is one of those peculiarly jargonistic words made up of initials. The initials in this case stand for **Peace Officers Standards and Training.** This is the program which is financed by the fund of which we speak above.

The other day, Captain Beecher attended a meeting in Palo Alto, as the representative of the chief of police. This was a zone meeting of high-ranking law enforcement officials which was called by Attorney General Stanley Mosk. At the meeting, the captain was presented with a check in the amount of seven hundred and some odd dollars and cents. This was reimbursed to the city for half of the wages of our recruits who were trained under the program last year.

Daly City is one of 282 police jurisdictions which have adhered to this program during the first two years of operation. Three officers were trained under the program last year for Daly City. These men were a part of a class of recruits which represented most of the departments in San Mateo County; all of these recruits received a total of 212 hours of instruction.

**Figures . . .**

It is estimated that presently 90 per cent of California citizens are presently policed by agencies which have subscribed to the minimum standards set forth in the program. This represents more than 15 million people.

Attorney General Mosk has stated that the competency of law enforcement in California is the highest in the nation. Neither he nor we feel smug about this, however, for the population increase, sociological complexities and the mobility of criminal offenders and traffic killers present an ever increasing challenge to law enforcement. The need for training and more training is ever present with us for these reasons. We think that the program helps to meet these challenges.

**The Future . . .**

Future training plans add to the recruit training of which we have been speaking. The not too dist ant future may see added to the program an eighty hour intermediate traning program for police officers. Also, it may be that Sergeants will come in for some hours of instruction. Lieutenants and above can look forward to an additional twelve hours of instruction, if the program is expanded.

**More Money, No More Taxes . . .**

Naturally, an expanded program such as this will cost more—probably twice as much. Not a cent will come from taxes, if the program is increased as desired. If authorized, the increased revenue will come from increased assessments of criminal fines and bails—an ironically, we will continue to profit from crime.

# MEN IN SERVICE

### R. E. Krake Serves On USS Kearsarge

Richard E. Krake, aviation boatswain's mate airman, USN, son of Mr. and Mrs. Adolph F. Krake, 44 Frances avenue, Pacifica, is serving aboard the anti-submarine aircraft carrier USS Kearsarge, which was part of the combined force of 20 ships engaged in Exercise Saddle Blanket early in February off the coast of Southern California.

The five-day exercise, held from February 4 through February 8, dealt mainly with anti-submarine warfare training. The operation centered around a fast carrier striking force, with its wide range of detection and strike capabilities.

Cruisers, destroyers, submarines, and logistics ships also were engaged in the operation. The exercise came under the operational command of Commander of the First Fleet.

### PFC James Buccelli Arrives in Okinawa

Marine Private First Class James A. Buccelli, son of Anthony Bucelli, 569 Westmoor avenue, Daly City, arrived early this month in Okinawa, aboard the transport USS General W. A. Mann with the Second Battalion, Seventh Marine Regiment, for a 13-month tour of duty with the Third Marine Division.

While en route to Okinawa, the unit stopped in Hawaii and Yokohama, Japan.

### Seaman Chaidez Based in Nevada

Francis L. Chaidez, yeoman seaman apprentice, USN, son of Mr. and Mrs. Stanley L. Wright, 22 Duval drive, South San Francisco, is stationed at the Naval Auxiliary Air Station, Fallon, Nevada.

He has been assigned to the administration department.

A graduate of Terra Nova High School, Pacifica, Chaidez entered the service in August, 1962.

### Private Burgdorf to Tour Germany

Army Pvt. Charles E. Burgdorf of Colma, Calif., recently departed from Fort Riley, Kan., with other members of Company C of the 1st Infantry Division's 28th infantry for a six-month tour of duty in Germany as a part of Exercise LONG THRUST VI:

Burgdorf, son of Charles R. Burgdorf, who lives at 751 Washington st., entered the Army in June 1962 and completed basic training at Fort Ord, Calif. and is assigned as driver in the company. The 19-year-old soldier is a 1962 graduate of Westmoor High School, Daly City.

### Russell Von Glahn Completes Basic

Russell R. Von Glahn, son of Mr. and Mrs. Bob Von Glahn, 847 Reina Del Mar, Pacifica, completed recruit training February 8 at the Naval Training Center, San Diego, Calif.

During the nine-week indoctrination to Navy life, recruits are trained in physical fitness, basic military law, military drill, customs and etiquette of the naval service, swimming and survival, first aid and seamanship.

Each recruit receives tests and interviews to determine future training and assignments.

### Airman Tognetti Assigned to Travis

Airman Third Class Robert A. Tognetti, of South San Francisco, is being reassigned to Travis AFB following his graduation from the U.S. Air Force technical training course for inventory specialists at Amarillo AFB, Texas.

Airman Tognetti was trained to order and account for supplies and equipment through the use of punched card accounting machines and electronic data processing equipment.

The airman, son of Mr. and Mrs. Paul A. Tognetti, 436 Almanor street, South San Francisco High School.

### C. H. Sherer Serves On Anti-Sub Carrier

Charles H. Sherer, airman, USN, son of Mrs. Lucille E. Sherer, 683 Lockhaven drive, Pacifica, is serving aboard the anti-submarine aircraft carrier USS Kearsarge, which was part of the combined force of 20 ships engaged in Exercise Saddle Blanket early in February off the coast of Southern California.

The five-day exercise, held from February 4 through February 8, dealt mainly with anti-submarine warfare training. The operation centered around a fast carrier striking force, with its wide range of detection and strike capabilities.

Cruisers, destroyers, submarines and logistics ships also were engaged in the operation. The exercise came under the operational command of Commander of the First Fleet.

### Sgt. Charles Viale Arrives in Berlin

Army Sgt. Charles R. Viale, 20, whose parents, Mr. and Mrs. Ellis G. Bohn, live at 225 Mariposa avenue, Daly City, recently arrived in Berlin with other members of the 13th Infantry's 1st Battle Group to replace the 2nd Battle Group of the 12th Infantry, which is rotating to the United States.

Members of Sergeant Viale's unit are being drilled in special riot control and city fighting tactics.

A fire team leader in the 1st's Combat Support Company, Viale entered the Army in March, 1961, and completed basic training at Fort Ord, California.

The sergeant is a 1960 graduate of Balboa High School in San Francisco and attended Santa Rosa Junior College.

## Affairs Of State

By Henry C. MacArthur

SACRAMENTO — In deciding the question of whether the state board of education, appointed by the governor, or Dr. Max Rafferty, state superintendent of public instruction, elected by the people, has the final say in direction of the department of education, Attorney General Stanley Mosk admittedly faces a difficult task.

It is difficult because both the state constitution and the education code are vague on the subject, and nowhere in either are the exact duties and responsibilities outlined.

This caused a difference of opinion between the board and Rafferty on the subject of multiple selection of text-books forschool districts to come to a head at the most recent meeting of the board, and resulted in Rafferty and board members getting together to request an attorney general opinion to determine, if possible, the ultimate authority.

Rafferty says he has no question as to the authority of the state board of education to fix general policies for the department. The question, therefore, is whether Rafferty is required to argue for legislation, which is against his own policy and conscience, and whether he is required to have his employees in the department of education give testimony before legislative committees on behalf of bills which he opposes.

In coming to a conclusion on the question, if it can be concluded without additional law spelling out the limits of authority in detail, the attorney general no doubt will have to take into consideration that the state superintendent of public instruction, who the statutes define as the director of education as well, is elected by direct vote of the people of the state.

On the other hand, the state board of education has no relationship to the people of the state as far as appointment goes, except through the office of the governor of the state. It would appear, therefore, that the superintendent of public instruction is closer to the people and would be more responsive to their demands on policy matters than the state board, which is once-removed from direct contact, and subject to the political whims of the administration which happens to be in office.

It is no doubt fortunate that the question arose early in the Rafferty administration of education, for the simple reason that the question can be settled, and provide the means for Rafferty and the board to work in harmony for the benefit of education in California.

There is not too much difference in the thinking of the two authorities on education. Out of a great many recommendations Rafferty made to the board for legislation, only the one item of multiple selection was in controversy. Both Rafferty and the board are in favor of improvements in education through fostering a return to many of the basics.

At least the controversy indicates there can be differences of opinion in educational matters, and that the leaders in education are independent enough to bring issues into the open.

## Urge Tougher Narcotics Laws

Senator Richard J. Dolwig, San Mateo County, has introduced a bill which would broaden narcotics search and seizure laws. This bill would allow law enforcement officers to search automobiles and other suspected locations for narcotic evidence.

"Though we have strengthened our narcotic laws," Dolwig said, "such legislation is useless; if law enforcement officers are so handcuffed by restrictions they cannot adequately perform their duties."

Dolwig pointed out that modifying the search and seizure laws would give law enforcement officers the tools necessary to deal with the "pusher" who operates from an automobile or walks the streets. He also said that such changes in the law would not affect the current status on dwelling searches. Law enforcement agents would still require a warrant before entering a home.

Dolwig said that when a similar bill was introduced in 1961, it received the support of the governor's special narcotics commission and the California district attorney's, sheriffs and peace officers association. Also supporting the proposed legislation was the Los Angeles County Board of Supervisors.

For all wage scales and classifications not listed above, or correctly shown, the prevailing Union Scale established for San Mateo County shall apply; Overtime—not less than one and one-half (1½) times the above rates. Sundays and holidays—not less than one and one-half (1½) times the above rates.

The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

It is the policy of the County that Contractors on public projects employ their workers and craftsmen from the local labor market whenever possible. "Local Labor Market" is defined as the labor market within the geographical confines of the County of San Mateo, State of California. Consistent with this policy the Contractor is requested to employ his craftsmen and other workers from the local labor market whenever possible to do so.

Plans and Specifications, and forms of Proposal and Contract may be seen and obtained at the office of the Purchasing Agent, County Court House, Redwood City, California.

Plans may be taken therefrom on deposit of TEN DOLLARS ($10.00) per set, said deposit to be refunded upon return of the plans in good condition. Additional technical questions should be directed to the office of the County Engineer, Court House, Redwood City, California. No bids will be accepted from a bidder who is not licensed as required by laws of the State of California.

The County of San Mateo reserves the right to reject any or all bids, and/or waive any informalities or irregularities in any bid received.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

### MOST REMARKABLE

Wood is the most remarkable of all natural substances. It can be cut and sawn to make lumber and plywood, it can be pulped to make paper, it can be pressed to make hardboards, it can be distilled to make valuable chemicals, and it can be burned to get charcoal, tars and other chemicals, and by the wood hydrolysis process another family of chemicals can be obtained.

## Major Opera at S. F. State College

It is not accidental that a college graced with the "San Francisco" name should annually devote itself to operatic expression.

Since mid-19th Century opera has played the Golden Gate City. Now the San Francisco Opera Company is world ackknowledged. It has surely become one of the nation's most noted musical institutions.

It is, therefore, only fitting that the College whose traditions also stem from 19th Century San Francisco should supplement this operatic tradition with its own type of vital, artistic production. Each year since 1956, San Francisco State College has produced, from its Creative Arts stage, full-scale, major operatic productions. This year, March 22, 23, 29, 30, it will be Nikolia Rimsky-Korsakov's (1844-1908) sumptuous "Le Coq D'Or," not heard here since 1955.

## Livestock Show Entrant List Continues to Grow

In spite of the increasing change in San Mateo County's economy from primarily residential-agricultural to electronics and industry, the number of young participants and exhibits in the County Fiesta's Junior Livestock Show continues to grow, according to William M. "Bill" Wilson, fair manager.

The Junior Livestock Auction and Fat Sale has become one of the biggest attractions of the annual Fair and Fiesta held each August.

In the past year, the number of exhibitors increased in all livestock divisions, Wilson said. He pointed out that 54 more 4-H'ers and FFA members entered exhibits in sheep and cattle judging alone. More than $2,000 in premiums were awarded the 263 participants.

"We're proud of these boys and girls," Wilson said, "and they deserve much of the credit for the growth of the show from 91 entrees to nearly 500 in only eight years."

In 1952, the first year of the Livestock Show, the only entrant was Elsie, the Borden cow.

## Pacifica Women to Award Scholarship

The Pacifica Federated Women's Club is again preparing to award their yearly scholarship to a deserving high school graduate. Ruby Ellison will act as this year's chairman.

Qualifications for the scholarship are that the student be a resident of Pacifica, have a record of outstanding scholastic ability and a special need of the financial support.

The fund is available to both boys and girls. Applications, containing qualifications and family background, should be sent to Mrs. Dave Ellison, 202 Naomi avenue, Pacifica. Further information may be obtained by calling Mrs. Ellison at 359-1334.

### NEW MEXICO

The name "New Mexico" was first applied by Francisco de Ibarra in 1565, reports the National Automobile Club. He called the country north of the settled Mexican provinces "un otro" or Nuevo Mejico."

## Millinery Talk Slated For Buri Buri Women

Program Chairman, Mrs. Clarence Baillie, of the Buri Buri Women's Club, states Mrs. Lavina Scott, protege of Mrs. Alice Danielson, of San Mateo Junior College, will lecture at the February meeting, 8 p.m. tomorrow evening, at the Buri Buri Comumnity Methodist Church, Del Monte and El Campo Streets, Buri Buri, South San Francisco.

Mrs. Scott will demonstrate how to professionally cover your slippers to match your costume. She is teaching Custom Clothing and Millinery at Jefferson and Westmoor Adult Education Classes.

In addition to the lecture five Buri Buri girls will dance a ballet they have created. They are: Laurie Brown, Donna Brown, Peggy Ahren, Francisca Mueller and Tara Hendricks. All girls took Dick Ford's course in choreography last summer, and at present are Madame Ziceva's pupils at the Dick Ford Dance Center.

Mrs. W. R. King, parliamentarian, will announce her By-Laws Committee. Membership Chairman, Mrs. Edward Gulbrandson, will submit names of prospective new members. Mrs. Lenton Peak will announce the result of the annual Rummage sale held Feb. 18, 19, and 20. Mrs. Clairborne Blalock will report on the results of the meetings of her Scholarship Committee.

Hostess Chairman of the evening is Mrs. Robert Moratto.

## California Mother-of-Year Search Begins

The search is under way for the 1963 California Mother-of-the-Year. Mothers who are outstanding in the community and in personal life and who have reared children of outstanding character may be nominated by any group or individual.

Nominees must meet the following requirements:

1. Be a mother of outstanding character and achievement.
2. Be an active member of a religious body.
3. Show such traits as courage, cheerfulness, patience, affection, kindness, understanding and homemaking ability.
4. Exemplify in her life and conduct the precepts of the Golden Rule.
5. Have a sense of responsibility in civic affairs and be active in service for public benefit.
6. All her children must be over 15 years of age.

Entry blanks are available from the California Mothers' Committee chairman, Mrs. L. Dean Petty, 19950 Redwing road, Woodland Hills, California. The California Mother will be chosen in March, so there is no time to lose if an individual or group wishes to make a nomination. The California Mother will compete with the Mothers from the other 50 states, and the District of Columbia and Puerto Rico, for the honor of being chosen American Mother-of-the-Year.

# TOP SPOTS FOR DINING AND DANCING

SAI WU GARDENS
For Exotic Food And Drink

For those who love the atmosphere of the exotic East, the Sai Wu Gardens with its Golden Buddha Lounge and beautiful Mandarin Room is a second home.

Conveniently located in the Westlake Shopping Center at 209 Southgate, it features the decor that invites the liesurely contemplation and relaxation for which the Orient is noted.

In the Golden Buddha Lounge may be found the special potions from beyond the reef—such libations as Pua Lachee, Sai Wu Delight, Green Dragon, Mai Tai and coconut okokoolemao. These other famous South Seas recipes are concocted from original and borrowed formulas—as well as the popular American and Continental cocktails and mixed drinks.

For those with a taste for authentic Far East food, the Mandarin Room is one of the outstanding spots in the Bay Area. American food is also tastefully prepared and served during their regular hours of 11:30 a.m. to 10 p.m. except Monday.

Next time you're looking for "that different place," call the Sai Wu Gardens at PL 6-0213.

## TV and RADIO

By Mona Baker

How to reach 10,000 volunteers and instruct them in techniques for the heart fund drive was solved most effectively by the San Mateo County Heart Association last Wednesday morning. In cooperation with KQED they produced a special half-hour telecast hosted by William Winter that was highly informative and certainly time saving. Throughout the county women in groups or by themselves watched from the comfort of their living room as campaign procedures were outlined for them.

Various county chairman including Mrs. J. B. Wiener of Daly City appeared on the program.

Volunteers were instructed in the use of their kits, doctors explained the need for heart research and in a dramatic closing a beautiful young girl (herself the victim of heart disease) presented a dramatic plea for more research in the cure of heart disease made possible by funds from the drive.

Such community programs are certainly utilizing television in a worthwhile way bringing to the screen in a half hour information that would take several hours to present in a meeting and the appeal would be not nearly as effective.

—★—

If you have little preschoolers in your home be sure they are watching "Adventure School" (KPIX, 7:30 a.m.) during the next week beginning Friday. Marian Koehler Rowe has planned a unique musical program presenting each day a distinguished musician from the San Francisco Symphony who will play and demonstrate his instrument. This is a splendid way to introduce little tots to music at an early age and should certainly stimulate their natural interest in music.

—★—

COMING PROGRAMS: Over KRON-TV, February 27 special telecast "Fisherman's Wharf" in color at 6:30 p.m. and on Saturday, March 1, third program in NBC white paper series "Profile of Communism" Channel 4 also announces the purchase of 134 new films, half of which are in color and most produced after 1950. Also important addition to KRON-TV schedule beginning next fall is weekly NBC color series starring Bob Hope.

Debuting on Saturday over KPIX is a new series of classic films titled "Silents Please" to be shown at 6:30 p.m. Coming programs include "Blood and Sand" (March 2) starring Rudloph Valentino and on March 9, "The Hunchback of Notre Dame" with Lon Chaney.

"Seminole Everglades" is the subject of "Bold Journey" to be seen over KTVU on February 28 at 8 p.m.

Unique symphony program to be seen over KQED, February 27, 9:30 p.m. with American Wind Symphony of Pittsburgh in outdoor concert.

# Olympia School Children Learn Conversational French

Children of the French Foreign Language Program will return to school after a two week vacation. Class is held every Monday from 3:30 p.m. to 4:30 p.m. at the Olympia School, Grades 1 to 5.

Children of this class learn conversational French from a native teacher. Mrs. Edward A. Marshall, Foreign Language Assistant at State College is their able instructress.

She was born in France, and came to this country in 1946. Parents interested in signing their children for beginners' French are requested to call Mrs. C. Cecconi at PL 6-3759 or Mrs. Murray H. Freedman, PL 5-8981.

## Fernando Rivera Students Hear Space Age Talk at Presidio

Mr. Luppino's sixth grade class visited the Presidio of San Francisco on February 19. Sgt. C. S. Hawkins of the Community Relations Division, Headquartrs Sixth U. S. Army, met the class.

They assembled in a lecture hall, where Sergeant Hawkins talked on the subject of rockets and missles in the space age. The students were interested to learn about the army rocket and missile systems.

Historical background was presented and then a discussion of recent rocket developments. Rocket and satellite models were shown to the pupils so they could see some of the developments.

Two recent films were shown about missile and rocket development. Pupils were reminded of the necessity of learning the basic skills in elementary grades as a foundation for later participation in space age science.

There was a question and answer period, then lunch in the army mess hall. Three students' mothers, Mrs. M. Liston, Mrs. C. Poggio and Mrs. J. Sousa, and Miss E. Hatashite, student teacher, thoroughly enjoyed the presentation, pictures and films.

## A Lincoln Council Has a Busy Month

The student council of Abraham Lincoln Elementary School has had a busy month in February. Several meetings have been called by the president, Doug Kapovich, to discuss the awarding of certificates of merit to monitors who have served all year in daily school activities.

At the February 13 meeting of the council, committees were formed to select candidates for awards. The following will bring in suggestions at the next council meeting: Hall monitors—Tina Herbert, Cristina Guzman and Betty Frecker. Office helpers—Michael Hopson, Sally Fox and Wendy Baltor. Traffic monitors—Bob Poulin, Wendy Baltor and Jeff Farrar. Library assistants — Steven Waller, Tim Russell and Jim DeAlba.

The council is planning a talent show and has appointed a committee to prepare the agenda for the performance.

Serving are Tina Herbert, Bob Poulin, Christina Guzman, Wendy Baltor, Jim DeAlba and Willie Witcher.

## Second Graders Visit Post Office

In connection with their social studies unit on Our Helpers, two second grade classes at Abraham Lincoln Elementary School visited the post office on Southgate drive in Westlake last week.

Prepared with letters written in the classrooms, each child purchased a five cent stamp upon arrival at the post office. The children saw their letters slide into the mail slot, collected, go through the cancelling machine and separated into pigeon holes for distribution.

The postmaster then conducted the class through the building, pointing out the parcel post section, the money order department, the registered mail shelves and the collection department where dispatchers obtained the mail for local distribution.

Mrs. Barbara Russell's class took the trip on Wednesday, February 13, accompanied by two class mothers, Mrs. Oscar Otterbeck and Mrs. Rosario Bucini. Miss Barbara Bennett's second grade made the trip on Thursday, February 14.

## Bayshore PTA Honors Life Member

Mrs. Fred Pajkos, Bayshore PTA president, called her meeting to order February 13 at 8 p.m. in the Bayshore School Auditorium.

Flag salute and pledge were led by Boy Scout and Cub Scout troop 145, with a brief resume of scouting by Lt. Wayne Liebert USN retired. This was followed by the introduction of Mrs. Wayne Liebert, program chairman, and Mrs. Frank Barbara Historian, who presented their program.

The presentation of our units history for the past year was with a patriotic theme using the flag of our country as its background. Members who participated in this ceremony did so by placing a star in its respective place on the flag until 50 stars were obtained.

Highlight of the evenings festivities was the presentation of an honorary life membership award which this year was given to two worthy recipients, Mr. Bert Painchaud and Mr. Lonnie Higgins. Both of these men worked for many years with the youth of our community and also to bring about closer relationship between parent, citizen and youth. In the absence of Mrs. Dominik Calciaro Honorary Life Membership chairman, Mrs. Earl Robertson made this presentation.

Called to the center of the stage to receive the plaudits of the audience were Bayshore PTA past presidents and honorary life members.

Honored guests who attended Founders Day festivities were: Mrs. John Pleskach Vice-President of 17th District, Mrs. Forest Cunningham parliamentarian of 17th District, Mrs. Michael Nagy, Founders Day Chairman of 17th District, Mrs. Gillespie Historian of 17th District and Mrs. Mendel Plansky President of Jefferson High School. Mrs. Wayne Liebert thanked all who had made the program a most entertaining one than asked the president to resume with business of the evening. Mrs. Fred Pajkos president called upon Mrs. Thomas McNamara to brief the Bayshore PTA members on the selection of a nominating committee.

Chosen to select officers for the coming year were Mrs. Wayne Liebert, Mrs. Thomas McNamara, Mrs. MacMalone Counts, Mrs. Floyd Osterberg and Mrs. August Barizon.

## Mrs. Nyhan Awarded Life Membership At Thos. Edison PTA

The highlight of the Thomas Edison PTA's Founder's Day program was the presentation of the honorary life membership to Mrs. Georgina Nyhan, fifth-grade teacher, and Mr. Arthur (Art) Waldvogel, custodian.

The award is given in special recognition of outstanding service to the youth of this community.

Distinguished guests introduced by principal Harry Aronson were Mrs. Katherine Mullen, clerk, board of trustees; Mr. Thomas F. Noonan, chairman of the board; Mr. O. Wayne Douglas and Mr. Joe Lewkowitz, Sr., members, board of trustees; Mrs. Norma Buell, president M. Pauline Brown PTA, and Mr. and Mrs. Doyle, parents of Mrs. Georgina Nyhan.

In the multi-use room, which had been decorated for the occasion by Mr. Russell's sixth-grade class and Mrs. Nyhan's fifth-grade class, the meeting opened with the flag salute led by girls from Mrs. Melvin Sparks' Girl Scout Troop No. 242.

A gift to the school was presented to Mr. Aronson by Mrs. William Ward, president.

Over 300 parents were treated to an outstanding variety show under the direction of Marsha Lynn Wilson, 16-year-old junior from Westmoor High School.

The children featured in the show were Jackie Caldwell, Jimmy Woodworth, Beverly Peachy, Lori Benson, Mary Ellen Mirch, Kathleen Cotton, Kathy Mirch, Doreen LaRocca, Edy Greenblatt, Nancy Greenblatt, Joyce Steinberg, Janie Rosenberg, Theresa Thamasen, Margaret Wasserstein, Ann Wisecarver, Lorna Campbell, Sue Johns, Kathy Thamasen and Danya Ward. Narrator was Mr. Rod Graves.

Mrs. Joseph Brandi, past president, was presented with a corsage and a PTA emblem charm for her bracelet.

# Westmoor PTA Awards Two

Westmoor High School PTA presented two honorary life memberships, the Parent-Teacher Association's highest honor, at the February 14 meeting.

Mrs. Gene Sebastiani briefly outlined standards by which an individual is chosen for the award. Work and interest in the welfare and development of youth; participation in school activities and service to church and community make these individuals worthy of this award.

Fred Adams, president of Westmoor PTA, 1962-63, and Miss Margaret Riggs, Westmoor High School dean of girls, were the recipients of the honorary life memberships.

Adams has served Westmoor PTA as president, vice president and chairman of the ways and means committee. He has worked on many fund-raising and youth activities at the Holy Angels Church and school. He has also been active in Boy Scout work.

Miss Riggs is dean of girls and senior girls counselor at Westmoor, having taught in California valley schools before coming to Westmoor in 1958. She attended Bakersfield schools and the College of Pacific. Her interest in youth activities go far beyond her regular school work. She supervises social activities, is an advisor to seniors and has served on the executive board of Westmoor PTA as student welfare chairman for several years.

Mrs. Roy Milan and Mrs. Benjamin Pulsifer made the presentations of life memberships.

Mrs. Walter Baker, historian, presented the Founder's Day program, celebrating the founding of the PTA organization and the Westmoor High School PTA. Mrs. Baker introduced past presidents of the unit and those who had received life memberships since the start of the Westmoor PTA.

Glen South, principal of Westmoor High School; Edward Morgan, district superintendent; Mrs. Gene Sebastiani, active PTA member, and two past presidents of the unit, Pal Nolli and Mrs. Benjamin Pulsifer, were introduced.

Guest speaker of the evening was Chief Jack Kelly of the United States Navy of the Daly City recruiting office. He told how the "young men of today can fulfill their military obligations and at the same time complete their education."

Questions and answers followed.

## D. Webster Children Given Hearing Tests

A hearing testing laboratory converted from an old school bus was used recently to test hearing at the Daniel Webster School. The testing was done by Mr. Kenneth Demick and Miss Joann Green, school nurse.

Children receiving the tests were all first-grade children; those new to the district, those suspected of having hearing difficulties by the teacher or parent, and all children with known past hearing problems.

Since hearing is such an important part of learning, it is important to detect any impairment as soon as possible. Draining ears, earaches, chronically infected tonsils, acute childhood diseases, severe upper respiratory infections and nasal allergies may have an effect upon hearing. Medical evaluation is always advisable. Out of the 119 children tested, seven new children with questionable hearing were found and their parents notified for further evaluation.

Since this is an ongoing program, parents, as do the teachers, may contact the school nurse if they have questions.

Children who suddenly seem inattentive, irritable, watch the speaker's face, turn one or the other ear to the speaker, should always be suspected of having hearing impairment. Early recognition and treatment can prevent permanent hearing loss.

## School Unification Meeting February 28

A special meeting, pertaining to Unification of Schools will be held in the Thomas Edison multi-use room, Thursday, February 28, 8 p.m.

Mr. Thomas Noonan, chairman of the Board of Trustees, and Mr. J. W. Platt, chairman of the co-ordinating committee, will be the guest speakers.

## Dan. Webster Pupils Visit Post Office

Three more classes from the Daniel Webster School have visited the post office for study trips, with each group seeking answers to their own pre-planned questions.

The first group was the combined first grade classes of Mrs. Noreen Kellogg and Mrs. Lynn Megquier. The destination was the Westlake post office in Daly City. The purpose was to discover what the mailman does at the post-office, and how he receives and delivers mail and packages. Fifty little pairs of eyes bulged at the number of letters in the post office, along with the one-sided mirrors used by the inspectors to observe workers.

The second grade class of Mrs. Alice Elario visited the Rincon Annex in San Francisco on February 14. The children loved to see the mail come through large doors in the chutes. Also the stamp cancelling machine, mail conveyor, large bags, mail slots, package and magazine floors. Also, the front office was of great interest.

Mrs. Orton, Mrs. Frazer, Mrs. Walter and Mrs. Urrutia accompanied the group.

## Second Graders Visit Produce Mart

Mrs. Gumina's second grade class visited the South San Francisco wholesale produce market recently. The class is studying how our foods are raised on the farm and find their way to our tables.

The guide at the market showed the children how the trucks are unloaded and the produce is refrigerated. They also saw a refrigerated train being unloaded. Fruits and vegetables from many lands were seen.

The children were fascinated to see the produce put into plastic containers and wrapped by machinery.

The trip was most interesting. Each child was given a Washington apple, which they polished all the way back to Thomas Edison.

## Oceana PTA to Hold Spaghetti Dinner

The Oceana PTA and the Oceana High School executive board are sponsoring a spaghetti dinner followed by a basketball game (Varsity vs. Faculty), Saturday, March 2. Serving time 5 to 7 p.m.

Menu: Spaghetti, green salad, French bread, ice cream, milk or coffee.

Price for the dinner and game: Family (5 or more) $5, adult $1.25, student $1. Child under 12, 75 cents. Game only—adults 75 cents, students 50 cent and child 25 cents.

The first game, Scrub Team vs. Junior Varsity, starts at 7. The Varsity vs. Faculty starts at 8 p.m.

Mrs. Ivan Jensen is the chairman of the spaghetti dinner, which will be cooked by John Massara, master chef.

For ticket information, please contact the Ways and Means chairman, Bill Spenger, at FL 5-6416.

# Mexican Paper Published

Mrs. Heerwagen's sixth grade class at Christopher Columbus School recently concluded a social studies unit with the publishing of an American edition of "Mexican Periodico," the pupils' version of a newspaper strictly "south of the border."

"The Voice of Mexico" included information, creative material, and the results of research compiled to form 19 pages of newsworthy items about life and times in Mexico today," reported the teacher.

Sections containing comics, business, sports, entertainment, classified items, news, travel, food, and a woman's page were included, complete with notes from the editor, and an editorial page.

Mike Casey and Gary Mercurio were the editors, with Mrs. Heerwagen helping out as publisher. All of the students contributed the items which appeared in the printed paper.

## Student Teachers Visit Lincoln School

Four student teachers from San Francisco State College visited the classrooms of Abraham Lincoln Elementary School on Monday, February 11.

Miss Sandra Arellanes is working with Mrs. Arleen Byers in the first grade.

Two students are serving with teachers in the second grade—Mrs. Arlene Appleton with Mrs. Kathryn Gordon and Mrs. Gertrude Rusk with Mrs. Anne Byerly.

Mrs. Esther Turcott, fourth grade, has Miss Karen Fischer as a student teacher.
